Dear Investor,

**JPMorgan Investment Funds (SICAV Range)**

We are writing to inform you of certain changes to the sub-funds (each a “**Sub-Fund**”, collectively the “**Sub-Funds**”) of the Fund.

**Updates related to the Sustainable Finance Disclosure Regulation of the European Union**

The Sustainable Finance Disclosure Regulation (“SFDR”) came into effect in the European Union on 10 March 2021 with an aim of harmonising transparency with regards to the integration of sustainability risks and consideration of adverse sustainability impacts, and the provision of sustainability-related information.

On 6 April 2022, the European Commission adopted a delegated regulation supplementing the SFDR with regard to regulatory technical standards specifying (among other matters) the content, methodologies and presentation of information in relation to sustainability indicators and adverse sustainability impacts, and the content and presentation of the information in relation to the promotion of environmental or social characteristics and sustainable investment objectives in pre-contractual documents, on websites and in periodic reports (“SFDR Level 2 rules”). The SFDR Level 2 rules are scheduled to come into effect from 1 January 2023.

In order to comply with the SFDR Level 2 rules, the Offering Document has been updated to align with the content and presentation requirements prescribed in these SFDR Level 2 rules with respect to the relevant Sub-Funds. There is no change to the manner in which the Sub-Funds are currently being managed as a result of such updates.

The revised Offering Document reflecting the above amendments are available free of charge upon request during normal working hours at the registered office of JPMorgan Funds (Asia) Limited<sup>1</sup>, and on our website [am.jpmorgan.com/hk](https://am.jpmorgan.com/hk)<sup>2</sup>.
