**Notice to Shareholders of the Manulife Global Fund – Turkey Equity Fund
("Notice")**

28 October 2019

Dear Shareholder

The board of directors (the "**Directors**") of Manulife Global Fund (the "**Company**") is writing to you to advise you of the proposed merger of Manulife Global Fund – Turkey Equity Fund (the "**Turkey Equity Fund**") into Manulife Global Fund – Emerging Eastern Europe Fund (the "**Emerging Eastern Europe Fund**") (the "**Merger**"). All changes set out in this letter take effect on 20 December 2019 (the "**Effective Date**"), unless specifically stated and this letter forms notice to Shareholders of that fact.

Words and phrases used in this Notice shall, unless otherwise provided, have the same meanings as are ascribed to them in the Prospectus.

1. Background / Rationale for the Merger

As the Emerging Eastern Europe Fund's investment universe is already composed of listed equity and equity related securities of companies located in Turkey, the Merger will provide Shareholders of the Turkey Equity Fund with the benefit of investing in a broader range of assets and a more diversified strategy under the Emerging Eastern Europe Fund, which is not constrained to investing only in a single country. Current Shareholders of the Turkey Equity Fund would therefore be subject to less exposure to the volatility risk, concentration risk and political risk associated with investing in Turkey after the Merger. Further, by combining the portfolios and assets under management of the Turkey Equity Fund and the Emerging Eastern Europe Fund into a single Sub-Fund, the Merger is expected to bring about economies of scale that may result from lower operating and administrative expenses.

Therefore, in accordance with Article 21 of the Company's Articles of Incorporation, the Directors believe that it is in the best interest of Shareholders to merge the Turkey Equity Fund into the Emerging Eastern Europe Fund on the Effective Date.

2. Main Features of the Turkey Equity Fund and the Emerging Eastern Europe Fund

Please refer to the Appendix for a comparison of investment objectives and policies, risk profiles and fees & expenses for the Turkey Equity Fund and the Emerging Eastern Europe Fund.

While the Turkey Equity Fund primarily invests in listed equity and equity related securities of companies located in Turkey and other companies located outside Turkey whose income is predominantly derived from Turkey ("**Turkey Securities**"), the Emerging Eastern Europe Fund primarily invests in equity and equity related securities which are listed or traded on the stock exchanges of Central and Eastern European countries, which is a wider geographical coverage of investments. The Emerging Eastern

Europe Fund is therefore exposed to the additional specific risk factors set out in the Appendix in connection with its investments in equity and equity related securities listed or traded on the stock exchanges of Central and Eastern European countries which includes, without limitation, a Geographic Concentration Risk of investing in Russia and Turkey.

The Investment Manager of both the Turkey Equity Fund and the Emerging Eastern Europe Fund is Fiera Capital (UK) Limited.

Neither the Turkey Equity Fund nor the Emerging Eastern Europe Fund uses financial derivative instruments (“**FDIs**”) extensively to achieve its investment objective or for investment purpose. However, both the Turkey Equity Fund and the Emerging Eastern Europe Fund may from time to time, under normal circumstances, use FDIs for efficient portfolio management and hedging purposes. Both the Turkey Equity Fund and the Emerging Eastern Europe Fund use the commitment approach to calculate global exposure.

As at 15 October 2019 the respective assets under management of the Turkey Equity Fund and the Emerging Eastern Europe Fund were approximately USD 26.15 million and USD 88.78 million.

3. Changes to the Turkey Equity Fund portfolio prior to the Merger

Ten days prior to the Effective Date, the investment manager will commence repositioning the portfolio of the Turkey Equity Fund in order to structure it appropriately for the Merger.

It is expected that by the Effective Date, the portfolio of the Turkey Equity Fund will comprise of a percentage of Turkey Securities in order to align with the corresponding percentage of Turkey Securities in the Emerging Eastern Europe Fund. Therefore as of the date of this Notice it is expected that around 60% of the portfolio of the Turkey Equity Fund will need to be disposed of and converted to liquid securities, such as cash and cash equivalents, so that upon the Effective Date, such Turkey Securities and cash/cash equivalents will be transferred to the Emerging Eastern Europe Fund.

Therefore, during this period, the Turkey Equity Fund may not meet its target of investing at least 70% in Turkey Securities and will hold proportionately more liquid securities and less Turkey Securities than before.

It is expected that the transaction costs of such rebalancing will be negligible.

4. No changes to the Emerging Eastern Europe Fund

There will be no re-positioning in respect of the Emerging Eastern Europe Fund portfolio to accommodate the Merger and the Emerging Eastern Europe Fund will continue to adhere to its existing investment objective and policy upon the Merger taking effect.

5. The Merger

The Turkey Equity Fund will be closed to subscription, redemption and switching requests from 1.00 p.m. Luxembourg time (and in the case of Hong Kong Shareholders, 5.00 p.m. Hong Kong Time) on 16 December 2019 (the “**Dealing Cut-Off Point**”). Subscriptions in the Turkey Equity Fund after the Dealing Cut-Off Point will be rejected. For the avoidance of doubt, with effect from the date of this Notice, the Turkey Equity Fund is no longer allowed to be marketed to the public and shall not accept subscriptions from new investors. At the close of business on the Effective Date, the assets and liabilities of the Turkey Equity Fund will be merged into the assets and liabilities of the Emerging Eastern Europe Fund.

6. Impact to Shareholders of the Turkey Equity Fund

At the close of business on the Effective Date, Shareholders of the Turkey Equity Fund who have not exercised their right to redeem or switch their Shares will become Shareholders of the Emerging Eastern Europe Fund and the Turkey Equity Fund will cease to exist.

The Shareholders of the Turkey Equity Fund will receive a number of Shares of the corresponding Class in the Emerging Eastern Europe Fund (as set out below), the total number of which will be determined by multiplying the number of Shares held in the relevant Class in the Turkey Equity Fund by the exchange ratio. The exchange ratio will be calculated for each Class by dividing the Net Asset Value per Share of such Class in the Turkey Equity Fund calculated on the Effective Date by the Net Asset Value per Share in the corresponding Share Class in the Emerging Eastern Europe Fund calculated at the same time on the Effective Date. For the purpose of calculating the Net Asset Value per Share, the rules laid down in the Articles of Incorporation of the Company will apply to determine the value of the assets and liabilities of the Turkey Equity Fund.

Shareholders of the Turkey Equity Fund will then be notified of their holding in the Emerging Eastern Europe Fund via a contract note and a merger confirmation letter both to be issued on the Effective Date, as well as reflected in their next monthly shareholders' statement which is usually sent to Shareholders on the seventh Business Day of each month.

Details of the Classes and form of Shares that will be issued in the Emerging Eastern Europe Fund in place of Shareholders' existing Shares in the Turkey Equity Fund are set out below:

Turkey Equity Fund		Emerging Eastern Europe Fund	
Share Class	ISIN	Corresponding Share Class	ISIN
Class AA	LU0314103473	Class AA	LU0196876865

7. Costs of the Merger

All costs of the Merger including legal, administrative, advisory costs and transaction costs associated with the transfer of assets and liabilities of the Turkey Equity Fund to the Emerging Eastern Europe Fund will be borne by the general distributor of the Company, Manulife Investment Management International Holdings Limited (previously known as Manulife Asset Management International Holdings Limited). For avoidance of doubt, transaction costs associated with trading the portfolio of Turkey Equity Fund will continue to be charged to such Sub-Fund until the Effective Date. No subscription fees will be levied on Shareholders by the Emerging Eastern Europe Fund as a result of the Merger.

All formation expenses in respect of the Turkey Equity Fund have been fully amortised.

No other costs of the Merger will be attributed to the Turkey Equity Fund.

8. Shareholders Rights

Redemption and Switch of Shares

If you do not wish to participate in the Merger, you may apply to redeem your Shares in the Turkey Equity Fund or switch them into Shares of one or more of the other Sub-Funds of the Company (in the case of Hong Kong Shareholders, which are authorised by the Securities and Futures Commission of Hong Kong

(“SFC”) for sale to the public in Hong Kong¹) in accordance with the provisions of the Prospectus (and in the case of Hong Kong Shareholders, the Hong Kong Covering Document), free of any switching or redemption charges. Such redemption and/or switching requests will be accepted up to the Dealing Cut-Off Point. After the Dealing Cut-Off Point, redemption and/or switching requests received will be rejected and if you have not redeemed or switched your Shares, the Merger as described above in the section titled “Impact on the Shareholders of the Turkey Equity Fund” will be binding on you. Dealing in Shares in the Emerging Eastern Europe Fund will begin the next Dealing Day after the Effective Date in accordance with the provisions of the Prospectus (and in the case of Hong Kong Shareholders, the Hong Kong Covering Document).

If you choose to redeem your Shares, the redemption proceeds will be paid to you in accordance with the provisions of the Prospectus (and in the case of Hong Kong Shareholders, the Hong Kong Covering Document). If you choose to switch your Shares to a holding in a different Sub-Fund of the Company, the proceeds will be utilised to purchase Shares in the Sub-Fund(s) specified by you at the Subscription Price applicable to that Sub-Fund in accordance with the provisions of the Prospectus (and in the case of Hong Kong Shareholders, the Hong Kong Covering Document).

Any switching or redemption of your Shares may affect your tax position. You should therefore seek guidance from your professional advisers on any applicable taxes in the jurisdiction of your respective incorporation, establishment, citizenship, domicile or residence.
