APPLICATION FOR REVISION OF EXISTING CREDIT FACILITIES (FOR CORPORATIONS)

Name of Applicant(s) / Borrower(s): _____

To: DBS Bank (Hong Kong) Limited (the "Bank")

Facility Types

Multi-Currency Revolving Term Loan ("MRTL")

Leveraged Trading Facility ("LTF")

Leveraged Foreign Exchange Facility ("LFX")

Swap Facility ("SF")

By execution hereof, I/we, the Applicant(s) named (and executing) below (hereinafter referred to as the "Borrower", which expression shall include each and all of them), hereby apply for a revision of the facility limit(s) and/or facility types of the existing Facilities (as defined below) made available by the Bank to the Borrower as of the date hereof. Where applicable, I/we, the Security Provider(s) named (and executing) below (hereinafter referred to as the "Security Provider", which expression shall include each and all of them), hereby agree or, as the case may be, agree to continue to be the Security Provider, in respect of the Facilities made or to be made available by the Bank.

Each of the Borrower and the Security Provider hereby acknowledges and agrees that:

- (A) if the Bank, in its sole and absolute discretion, delivers to the Borrower, the Confirmation (the "Confirmation", which term shall, where the Bank delivers to the Borrower more than one Confirmation referring to this Application, mean the last Confirmation so delivered) confirming its approval of the grant to the Borrower and/or revision of one, or more, or all of the above facilities (such facility or facilities, as so agreed and set out in the Confirmation, hereinafter referred to as the "Facilities") for the amount, for the limits and on such other terms and conditions (if any) as the Bank, in its sole and absolute discretion, may determine and set out in the Confirmation, the Facilities shall, unless the Borrower or any Security Provider rejects the Confirmation in accordance with (C) below, be governed, on and from the Effective Date (as defined below), by the general terms and conditions in this Application, the amounts and limits and other terms and conditions (if any) as may be set out in the Confirmation as well as the terms and conditions set out in the Bank's Standard Terms And Conditions Relating To Credit Facilities (as amended from time to time) (the "Standard Conditions") (all of such terms and conditions collectively referred to as the "Credit Terms");
- (B) the Borrower undertakes to, and shall, deliver to the Security Provider a copy of the Confirmation when received and the Security Provider undertakes and agrees to ensure that it receives a copy of the same;
- (C) the Borrower or the Security Provider may reject in full, but not in part only, the Confirmation delivered by the Bank pursuant to this Application by delivering to the Bank its notice in writing (or by such other means as acceptable to the Bank) that it rejects the Confirmation (the "Objection Notice") which must be received by the Bank before the date falling 7 (seven) calendar days after the date of the Confirmation (the "Notice Date"). Provided that the Borrower has not, before the Notice Date, made any new drawdown (including any rollover) of any of the Facilities after the date of the Confirmation (in which case any Objection Notice delivered to the Bank shall be deemed void and have no effect), upon such receipt of the Objection Notice by the Bank, this Application (except for (D) below) shall be deemed void and have no effect. However, if, by the Notice Date, the Bank has not received any Objection Notice, the Borrower, the Security Provider and the Bank shall be deemed to have accepted and agreed to all of the Credit Terms (including the amount, the limits and the other terms and conditions (if any) set out in the Confirmation) on the date (the "Effective Date") falling on the Notice Date or, as the case may be, the earlier date upon which the Borrower made any new drawdown (including any rollover) of any of the Facilities after the date of the Confirmation. For the avoidance of doubt, the Bank may in its absolute discretion issue a subsequent Confirmation amending the terms and conditions of the existing Facilities (including without limitation the limits, facility types and applicable interest rate). Subject always to the Bank's right to review the Facilities from time to time and, in its sole and absolute discretion, vary, reduce or revise any of the Facilities or any part thereof by giving prior notice to the Borrower or any Security Provider in a manner the Bank considers appropriate with the notice period stipulated by the Bank in the subsequent Confirmation. If, by the expiry of notice period, the Bank has not received any Objection Notice in respect of the subsequent Confirmation, the Borrower, the Security Provider and the Bank shall be deemed to have accepted and agreed to all of the Credit Terms (including the amount, the limits and the other terms and conditions (if any) set out in the subsequent Confirmation). In circumstances where the Bank receives an Objection Notice in accordance with this paragraph, the existing terms and conditions governing the Facility(ies) shall continue to be in full force and effect without any change unless otherwise stipulated by the Bank;
- (D) the Borrower hereby acknowledges and agrees that the Bank has the full and unfettered right, without giving any reason or explanation and without any liability to any person whatsoever, to reject the Application by not delivering the Confirmation to the Customer or otherwise, at the Bank's sole and absolute discretion, giving to the Customer notice of rejection by such means and in such manner (including verbally) as the Bank may see fit. In circumstances where the Bank rejects the Application in accordance with this paragraph, the existing terms and conditions governing the Facility(ies) shall continue to be in full force and effect without any change unless otherwise stipulated by the Bank; and

(E) unless defined in this Application or where the context otherwise requires (i) terms defined or used and references construed in the Standard Conditions shall have the same meaning in this Application and the Confirmation and (ii) references to the "Facility Letter" in the Standard Conditions shall, unless the context admits otherwise, be construed as references to this Application and the Confirmation.

The Security Provider:

- (2) agrees that, unless the context otherwise requires, all references in the Standard Conditions to the "Borrower" shall apply to it so that it shall, in all respects be bound by all the provisions of the Standard Conditions as if it were the Borrower referred to therein;
- (3) undertakes to ensure that it receives a copy of the Confirmation which is received by the Borrower and agrees that if the Confirmation is not rejected in accordance with the terms of this Application, it shall be deemed to have accepted and agreed to all of the Credit Terms (including the amount, the limits and the other terms and conditions (if any) set out in the Confirmation); and
- (4) confirms its agreement to be or, as the case may be, agreement to continue to be a Security Provider and (i) if a guarantor, to execute the Guarantee, in such form as the Bank may require or, as the case may be, continue to be a guarantor under the existing Guarantee it has executed in favour of the Bank, and (ii) if providing security, to execute a Memorandum of Charge and Pledge over Assets in respect of its cash deposits, marketable securities, commodities and other assets or, as the case may be, continue to be a Security Provider under the existing Memorandum of Charge and Pledge over Assets (or, as the case may be, Master Security Document, Memorandum of Charge, Memorandum of Deposit or such other existing security document) which it has executed in favour of the Bank or, as the case may be, transferred to the Bank in its favour, to guarantee or, as the case may be, to secure all moneys and liabilities owing by the Borrower to the Bank including, without limitation, all moneys and liabilities owing under or in connection with the Facilities granted and/or revised by the Bank to the Borrower pursuant to this Application.

Each of the Borrower and the Security Provider, in consideration of the Bank agreeing to receive or, as the case may be, continuing to accept each Security Document executed by the Borrower and/or the Security Provider and, where required, delivered together with this Application:

- (a) hereby requests and appoints and authorizes the Bank to, at any time (whether or not on behalf of it or the Bank), complete, perfect, register, stamp and do or carry out such other actions as the Bank may deem necessary, proper or expedient to ensure the enforceability of such Security Documents including but not limited to, dating such Security Document, completing any information left blank in such Security Document, perfecting the security interests created pursuant to such Security Document and generally, doing all such acts and things and executing all such deeds, forms, instruments, assurances and other documents, as the Bank may consider necessary or expedient in connection with the foregoing including without limitation, registering such Security Document with the relevant government departments or authorities;

- (c) as an obligation separate and independent from, and surviving, this Application, hereby agrees and undertakes to, on demand, pay the Bank, and indemnify the Bank against, all costs and expenses (including stamp duties, filing fees and all taxes) incurred by the Bank in connection with any act, thing or document done or executed by the Bank pursuant to the authority conferred on the Bank under (a) above, whether or not the Facilities are granted or utilised, unless arising solely from the negligence, willful default or fault of the Bank.

Each of the Borrower and the Security Provider acknowledges and agrees to the general terms and conditions for application, including but not limited to the margining provisions as set out in this Application and the Standard Conditions.

Documentation

Each of the Borrower and the Security Provider agrees to deliver, together with this Application or at such later time as the Bank may specify, such document and/or condition precedent document as the Bank may require and acknowledges that, subject to the Credit Terms and the Bank's sole and absolute discretion to permit otherwise, the Facilities will only be available for utilisation, if the Bank has received all of such documents in form and substance satisfactory to the Bank.
