

GINGER CHENG (鄭思禎)
Managing Director
Head, Large and Mid-Cap Corporates
Institutional Banking Group
DBS Bank (China) Limited

Ms Ginger Cheng is Managing Director and Large and Mid-Cap Corporates Head of Institutional Banking Group at DBS Bank (China) Limited.

Ms Cheng is responsible for the client relationship management for large and mid-cap corporates in China. Her team provides both corporate and investment banking products and services to the large PRC state-owned and private-owned corporate clients in various industries, including petrochemical, trading, real estate, consumer products, telecommunication, commodity, transportation, infrastructure and utility.

Ms Cheng joined DBS in 2001. She has over 20 years of extensive experience in syndicated lending and corporate banking businesses. Before taking up her current position, Ms Cheng was the Managing Director of DBS' Institutional Banking Group in Hong Kong and chaired the client relationship management for large and mid-cap Hong Kong and PRC companies. She was also the Managing Director of Syndicated Finance of the bank, responsible for the origination and structuring of syndicated transactions in the region. Prior to joining DBS, Ms Cheng had held senior management positions in Syndicated Finance – Asia at Bank of America.

Ms Cheng was born and received her primary and secondary education in Beijing. She holds a Bachelor of Business Administration Degree of The Chinese University of Hong Kong.
