- Custody Fee for Exchange Listed Securities, Debt Securities, Structured Notes, Investment Funds and Gold Bullion is calculated according to portfolio value on a monthly accrual basis, and collected semi-annually or on the account closure date (whichever is earlier).
- Custody Fee for Commodity Investment is calculated on a monthly accrual basis according to the market value obtained by the Bank at its sole and absolute discretion of the Customer's commodity holding on the last date of each month and collected semi-annually or on the account closure date (whichever is earlier).
- Whether the Account Service Fee will be charged is based on the average Assets under Management that a Customer maintains with the Bank on the last working day of each month for the relevant period, regardless of if they are solely or jointly owned by the Customer. The Assets under Management include Hong Kong dollars, renminbi and foreign currency deposits, market value of local and overseas exchange listed securities, investment funds, bonds, and other linked or structured investment products.
- For customers with single-name accounts only, the fee and charges will be charged according to the Customer Segment. For customers with joint-name accounts, the fee and charges will be charged according to the Customer Segment of the primary account holder.
- The Bank reserves the right to make final decision on all matters regarding calculation of Assets under Management and the charging logic of the applicable fees and charges.
- The number of days used as the basis of interest calculation for deposits and incidental overdraft is: i) 365 days (for HKD, GBP and SGD); ii) 360 days (for other currencies).
- The above fees are subject to review and change from time to time at the sole and absolute discretion of the Bank.

Supplementary Fee Schedule with disclosure of monetary and non-monetary benefits receivable by DBS Bank (Hong Kong) Limited ("Bank") and/or any of its associates ("Supplementary Fee Schedule")

This Supplementary Fee Schedule provides details of sales related information including the generic terms of the monetary and non-monetary benefits receivable by the Bank and/or any of its associates relating to various investment products. It is aimed at enhancing transparency with our clients. This Supplementary Fee Schedule does not change the Bank's fee chargeable to clients. The Bank, at its absolute discretion, may discount its fees and charges from time to time.

Specific disclosure of monetary benefits may also be contained in the contract note of the relevant transaction. In case of any inconsistency, the information disclosed in the contract note of the relevant transaction shall prevail. You should also refer to the DBS Private Bank Master Agreement for terms and conditions of the banking relationship between you and the Bank.

The exact amount of remuneration varies by investment product and may be influenced by various factors including but not limited to the trading amount, market, type and timing of trade and/or product tenor. This Supplementary Fee Schedule is not exhaustive, remuneration arrangements in exceptional cases and for certain specialized products may fall outside the scope of this Supplementary Fee Schedule, in the event of such, the affected client(s) will be notified accordingly.

We are not an independent intermediary because 1. we receive fees, commissions, or other monetary benefits from other parties (which may include product issuers) in relation to our distribution of investment products to you. For details, you should refer to our disclosure on monetary benefits which we are required to deliver to you prior to or at the point of entering into any transaction in investment products; and/or 2. we receive non-monetary benefits from other parties, or have close links or other legal or economic relationships with issuers of products that we may distribute to you.

Where you provide the Bank and/or any of its associates with a specific instruction in relation to an order, the Bank and/or any of its associates will follow that instruction when executing the trade as far as it is reasonably and commercially possible and in accordance with regulatory and compliance requirements. Subject to this, in the normal course of business, the Bank and/or any of its associates will take sufficient steps to obtain the best available terms when executing any client orders. Example factors such as price, cost, speed/likelihood of execution, settlement risks and nature of client orders may be considered by the Bank over the course of execution of client orders. The investment products where the Bank is unable to seek for external quotes are set out below for you. If this Supplementary Fee Schedule fails to disclose any specific material interests in relation to any particular transaction(s), the Bank will take reasonable steps to inform you if deemed appropriate.

For transactions where the Bank acts as principal, the Bank will generally quote an "all-in" price which includes the interbank price and a sales and trading mark-up. Such sales and trading markup will not exceed the percentage range detailed below, unless the client agrees otherwise.

Where the Bank is able to execute the transaction at a better interbank price, the Bank may, subject to the above, retain partially, or in full, the benefits from price improvement so long as the final amount of monetary benefits is within the amount of the monetary benefits agreed with or disclosed to you. In cases where the final amount of monetary benefits retained by the Bank is in excess of the amount of the monetary benefits agreed with or disclosed to you as a result of price improvement, we will notify you accordingly. However, where the Bank has committed to a different charging structure, including a fixed sales and trading mark-up, the Bank will honour all such arrangements.

For the products indicated with ^ in this Supplementary Fee Schedule, DBS Bank (Hong Kong) Limited acts as the sole product provider of the product. The Bank is a wholly-owned subsidiary of DBS Bank Ltd. and no multiple quotes can be provided to you.

If you have any questions about this Supplementary Fee Schedule, please contact your Relationship Manager.

¹The maximum monetary benefit has been rounded up to the nearest percentage point. Operational or system constraints, such as rounding practices, may result in the final fees, charges or benefit marginally exceeding the maximum percentage range detailed herein.

²The reference to "management fee" can include other components, being other types of fees, rebates or payments that the fund house receives and/or chooses to apportion to their distributors. Each fund house may differ in its classification or terminology of the fees they receive and of the fees they apportion to their distributors. For example, they may include investor relation fees and distribution fees when computing payments to their distributors. Typically we expect that the types of fees and/or amounts they pay to their distributors would be set out in their offering documents.

³Referral Investments is a referral service where the Bank refers the client to the external company or other entity, thereby providing the client with access to investment opportunities (for example, in companies and funds) which the Bank may be apprised of from time to time. Investments referred by the Bank are not DBS approved products for the purposes of formulating any recommendations and are not part of any suitability discussions.

披露星展銀行(香港)有限公司(“本行”)及/或其任何聯營公司可取得的金錢及非金錢收益的收費表附錄(“收費表附錄”)

本收費表附錄提供有關銷售資料的詳情，包括本行及/或其任何聯營公司就各種投資產品可取得的一般金錢及非金錢收益，並旨在提高本行對客戶的透明度。本收費表附錄沒有更改本行可向客戶收取的費用。本行亦可不時全權酌情決定減收費用或收費。

有關金錢收益的具體披露亦可能載於相關交易的成交單據內。如有不一致的情況，以相關交易的成交單據所披露的資料為準。閣下亦應參考《星展私人銀行主協議》，以了解適用於閣下與本行的銀行業務關係的條款及條件。

有關酬金的確實金額會因不同投資產品而有差異，並會受多項因素影響，包括但不限於交易金額、市場、交易種類及時間及/或產品年期。本收費表附錄或未能涵蓋所有範疇，在例外情況下或若干特別產品的酬金安排可能不在本收費表附錄的涵蓋範圍內；如有此情況，相關客戶將另行收到通知。

我們並非獨立的中介人，理由如下：1. 我們有收取由其他人士(可能包括產品發行人)就我們向閣下分銷投資產品而提供的費用、佣金或其他金錢收益。詳情請參閱我們按規定在訂立任何投資產品交易前或在訂立任何投資產品交易時需向閣下提供的金錢收益披露；及/或 2. 我們有收取由其他人士提供的非金錢收益，或與我們可能向閣下分銷的產品的發行人有緊密聯繫或其他法律或經濟關係。

倘若閣下向本行及/或其任何聯營公司提供有關某項買賣指示的特定指示，只要該指示是合理及商業上可行並符合監管和合規要求，本行及/或其任何聯營公司將根據該指示執行有關交易。在符合上述情況下，於正常業務過程中，本行及/或其任何聯營公司將採取充足步驟，以其所能取得的最佳條件執行客戶買賣指示。本行在執行客戶買賣指示的過程中，可能會考慮例如價格、成本、執行速度/可能性、結算風險及客戶買賣指示的性質等因素。以下列出本行不能獲取外部報價的投資產品。假如本收費表附錄未有披露關乎某些交易的任何特定重大權益，本行將會在適當情況下採取合理步驟通知閣下。

就本行以主事人身分行事的交易而言，本行一般會提供一個“總報價”，當中包含銀行同業價和銷售及交易溢價。除非客戶另行同意，否則該銷售及交易溢價並不會超逾以下詳述的百分率範圍。

倘若本行能以最佳的銀行同業價執行交易，則在上述前提下，本行可以保留因更佳的交易價而取得的部份或全部收益，只要相關金錢收益之最終金額是在已獲閣下同意或已向閣下披露的金錢收益金額之範圍內。若本行保留因更佳交易價而取得的金錢收益之最終金額，超逾已獲閣下同意或已向閣下披露的金錢收益金額，本行會相應通知閣下。然而，若本行承諾採用不同的收費結構，包括固定的銷售及交易溢價，則本行將履行所有該等安排。

星展銀行(香港)有限公司為本收費表附錄內 ^ 標記的產品的唯一供應商。本行是 DBS Bank Ltd. 的全資附屬公司，不能向閣下提供多個報價。

假如對本收費表附錄有任何疑問，請向閣下的客戶經理查詢。
