

STANDARD TERMS AND CONDITIONS
RELATING TO CREDIT FACILITIES

STANDARD TERMS AND CONDITIONS RELATING TO CREDIT FACILITIES

These Standard Conditions shall apply to Facilities granted by the Bank to the Borrower.

A. GENERAL

1. INTEREST

- 1.1 Interest on all moneys due and/or owing by the Borrower (including, without limitation, additional or overdue interest) shall, unless the Bank specifically provides otherwise in writing, be calculated on a daily basis with monthly rests and compounded monthly on the last day of each calendar month based on a 365-day or 360-day year (as the case may be) or such other basis as may be determined by the Bank from time to time.
- 1.2 All interest (whether under this clause or other clause hereof) shall be charged and payable at the respective rates and dates provided under the Facility Documents up to the date of full payment of the amounts due, or the due date thereof, whichever is later, both before as well as after any judgement obtained.
- 1.3 Where interest rates are pegged to a reference rate, they are quoted on the condition that the reference rate will not be lower than zero. If the reference rate is negative for any interest period, the Bank shall, in a commercially reasonable manner determine that the interest payable for that interest period is either 0% or notify the Borrower of the alternative basis for interest payable, including, without limitation, a rate per annum being the Cost of Funds plus a margin.
- 1.4 Unless otherwise specified in the Facility Letter, any change in the interest rate will take effect 30 days after the date of the Bank's written notice to the Borrower. However, if there is an increase in the annualised percentage rate or any changes in the interest rate margin of floating rates which increases the overall interest rates, a 60 days' advance notice will be given (other than due to a breach of the facility terms by the Borrower or any Security Provider).

2. ADDITIONAL INTEREST

Where the Borrower is permitted to utilise any facility prior to formal activation or if any amount under any Facility is unpaid on its due date or upon termination of that Facility or if any utilisation of any Facility has resulted in the permitted limit being exceeded, such utilised sum or overdue or excess sum will be subject to the Bank's prevailing Overdue Interest Rate, and may be compounded monthly or at such other intervals as the Bank may determine subject to, in the case of utilisation of any facility prior to formal activation or exceeding the limits, a monthly minimum charge of such amount may be prescribed by the Bank from time to time.

3. FEES AND EXPENSES

The Borrower shall pay all fees, Taxes, stamp duties, registration fees, legal fees on a full indemnity basis, administrative fees, insurance premiums, property tax, inspection or valuation fees or reasonable cost, charges and expenses incurred by the Bank or reimburse the Bank for such any such fees, duties, tax, cost, charges or expenses that are due and unpaid by the Borrower but paid by the Bank first on behalf of the Borrower (whether or not after the acceptance of the Facility Documents such Facilities are proceeded with or aborted or cancelled for any reason whatsoever prior to drawing or utilisation) in connection with the preparation, negotiation, preservation or protection, execution, registration and perfection, delivery, performance, exercise or enforcement of the Facility Documents, and all other documents in connection with the Facility Documents or the Facilities.

4. RIGHT TO DEBIT ACCOUNTS

The Bank is entitled at any time and without prior notice to the Borrower to debit the Borrower's account with all sums payable by the Borrower (including but not limited to those under Clause 3, under or in connection with the Facility Documents). If the debiting results in the Borrower's account becoming overdrawn or further overdrawn, as the case may be, interest shall be payable on the amount overdrawn or further overdrawn, as the case may be, at an interest rate determined by the Bank calculated on a daily basis with monthly rests and compounded monthly on the last day of each calendar month based on a 365-day or 360-day year (as the case may be) or such other basis as may be determined by the Bank from time to time subject to the relevant monthly minimum charge of such amount as may be prescribed by the Bank from time to time.

5. RIGHT OF SET-OFF

In addition to all other rights and remedies available to the Bank and without prejudice to any lien, guarantee, mortgage or other security (now existing or established at a later date), the Bank may at any time without notice (whether before or after demand), set-off, combine, consolidate or merge any balances (whether in full or in part) standing to the credit of any of the Borrower's accounts anywhere in or outside of Hong Kong (whether subject to notice or not and whether matured or not) and any other obligation of the Bank owed to the Borrower towards the satisfaction of the Total Indebtedness whether such Total Indebtedness be present or future, actual or contingent, joint or several, primary or collateral, accrued or not and notwithstanding whether

the credit balances and the Total Indebtedness are in the same currency or not and the Bank is authorised to effect (or request the effecting of) any necessary transfers and currency exchanges at the Exchange Rate. The Bank will notify the Borrower promptly of any such set-off, combination, consolidation or merger where practicable, but failure to do so or any delay in doing so does not invalidate the Bank's exercise of such right.

6. RULING-OFF OF ACCOUNT

In addition to and without prejudice to any other rights of the Bank under the Facility Documents, if at any time any guarantee or other security for the Facilities is terminated, or for any reason which the Bank deems justifiable, the Bank may forthwith open a new or separate non-interest bearing account (the "**new account**") with the Borrower in the books and if the Bank does not in fact open such new account it shall nevertheless be deemed to have done so at the time of such termination and as from and after the time that new account was opened or so deemed to be opened, all payments made by or on behalf of the Borrower shall (notwithstanding any legal or equitable rule of presumption to the contrary) be credited or deemed to have been credited to the new account so opened and shall not go to reducing the Total Indebtedness at the time that new account was opened, unless the Bank expressly directs otherwise after all sums (actual or contingent) owing to the Bank under that new account have been paid and satisfied to the Bank in full or at any other time.

7. INFORMATION

The Borrower and each Security Provider shall provide the Bank immediately upon request all statements, information, materials and explanations (except information of a proprietary nature) regarding its operations and finances as may be reasonably required by the Bank from time to time.

8. STATEMENT OF ACCOUNT

A statement or certificate in writing signed by the Bank or any person nominated by the Bank or any computer generated statement certifying (i) the amount due at any time in respect of any moneys owing or payable by the Borrower or any Security Provider to the Bank and/or any liabilities incurred by it and payable by the Borrower or any Security Provider to it under the Facility Documents or (ii) any interest rate applicable to it or Cost of Funds, or (iii) any outstanding positions/exposures (including any marked-to-market exposures) or any matter under or relating to any foreign exchange contract, shall be final and conclusive of the matters to which it relates and shall be accepted and binding on the Borrower and each Security Provider, including in any legal or arbitration proceedings against the Borrower or any Security Provider (as the case may be) or otherwise in connection with the Facility Documents unless (i) the Bank failed to exercise reasonable skill and care in respect of any such statement or certificate or (ii) any such statement or certificate was generated by the wilful default, forgery or negligence of the Bank or any of its employees, agents or servants. Each of the Borrower and the Security Provider further agree not to dispute the accuracy nor the authenticity of the contents of such records merely on the basis that such records were produced by or are the output of a computer system, and waives any right (if any) to so object. The entries in the accounts which the Bank maintains according to its usual practice shall be prima facie evidence of the existence and amount of obligations of the Borrower so recorded. Where required by law, the Bank will send to the Borrower and/or Security Provider a statement, certificate and/or confirmation in respect of any Facility and/or Facility Documents. If the provision of such statement, certificate and/or confirmation is not required to be provided to the Borrower and/or Security Provider by law, the Bank may still elect to deliver to the Borrower and/or Security Provider such documentation, however it shall be under no obligation to do so. Such statement, certificate and/or confirmation is conclusive and binding on the Borrower or Security Provider (as the case may be) unless the Borrower or Security Provider (as the case may be) objects in writing. Subject to the applicable laws, any objections need to be provided to the Bank within the time period stated on the statement, certificate and/or confirmation. In the absence of any specific time period required by law in respect of such objection, objections are to be provided to the Bank within 90 days of the date of thereof. Each of the Borrower and Security Provider shall be deemed to have received such statement, certificate and/or confirmation on the next Business Day after it is sent by the Bank to the address, fax or telex number last notified by the Borrower or, as applicable, Security Provider to and recorded by the Bank.

9. UNLAWFULNESS

If (in the Bank's opinion) any order of court or the result of any change in, or in the interpretation, application or administration of, or introduction of, any Law (including, without limitation, those relating to Taxation, capital adequacy, liquidity, prudential limits, reserve assets and special deposits) renders it illegal, unlawful, unenforceable or commercially impracticable for the Bank to make or continue to make available any of the Facilities or any part thereof or to give effect or keep to the Bank's obligations under the Facility Documents, the Bank will promptly give notice to the Borrower whereupon such Facility or the relevant part thereof shall be cancelled and the Borrower shall, within 14 days or such shorter period as the Bank may specify having regard to such Law, prepay without prepayment fee to the Bank all amounts then due to the Bank in respect of the whole or any relevant part of such Facility as may be necessary to secure compliance with the relevant Law.

10. INCREASED COSTS

10.1 If (in the Bank's opinion) any order of court or the result of any change in, or in the interpretation, application or administration of, or introduction of, any Law or the result of compliance with any Law (including, without limitation, those relating to Taxation, capital adequacy, liquidity, prudential limits, reserve assets and special deposits) is to:

- (a) subject the Bank to Taxes or change the basis of the Bank's Taxation with respect to any payment under any Facility Document (other than Taxes or Taxation on the Bank's overall net income or profits imposed in the jurisdiction in which the Bank's principal or lending office under the Facility Letter is located);
- (b) increase the cost to, or impose an additional cost on, the Bank or its Affiliates in making or keeping a Facility available or maintaining or funding any Facility or its contingent liability;
- (c) reduce the amount payable or the effective return to the Bank or its Affiliates under the Facilities or Facility Document;
- (d) reduce the Bank's or its Affiliates' rate of return on its overall capital by reason of a change in the manner in which it is required to allocate capital resources to its obligations under the Facility Documents; and/or
- (e) require the Bank or its Affiliates to make a payment or forgo a return on or calculated by reference to any amount received or receivable by it under the Facility Letter,

in each case:

- (i) the Bank shall notify the Borrower in writing of such event promptly after it becoming aware of the same;
- (ii) the Borrower shall on demand pay to the Bank the amount which the Bank specifies is required to compensate it and/or its Affiliates for such increased cost, reduction, payment or forgone return or loss; and
- (iii) the Borrower may, within 7 days after receipt of such demand and upon giving not less than 14 days' prior written notice to the Bank (such notice to be effective only upon receipt and is irrevocable) prepay all of the moneys owing to the Bank in accordance with and subject to the provisions of the Facility Letter,

provided always that the Bank shall not be obliged to disclose any confidential information for such purpose.

10.2 For the purposes of this Clause, the Bank may allocate or spread costs and/or losses among its assets and liabilities (or any class thereof) on such basis as the Bank considers appropriate.

11. CHANGE IN CIRCUMSTANCES

11.1 If and whenever the Bank has determined (which determination shall be conclusive), that:

- (a) by reason of any national or international, financial, political or economic conditions, currency availability or exchange controls, it is or will be impracticable for any Facilities to be drawn down or to remain outstanding in the currency in which it was made;
- (b) there has been adverse change or any development likely to result in an adverse change in the economic, financial or political conditions, interest rates or currency market in Hong Kong; or
- (c) deposits in the relevant currency are not available to the Bank in the Hong Kong inter-bank market in the ordinary course of business in sufficient amounts to fund any Facilities for a particular interest period,

the Bank shall forthwith give notice (a "**Determination Notice**") to the Borrower. After Determination Notice is given, the undrawn amount of the affected Facility shall not be utilised until notice to the contrary is given to the Borrower by the Bank. Where a Facility is outstanding, during the period of 7 days after any Determination Notice has been given by the Bank, the Bank shall certify an alternative basis (the "**Substitute Basis**") for maintaining such Facility. The Substitute Basis may (without limitation) include alternative interest periods, alternative currencies or alternative rates of interest or a margin above the Cost of Funds. Each Substitute Basis so certified shall be binding upon the Borrower and any Security Provider and shall take effect in accordance with its terms from the date specified in the Determination Notice until otherwise notified by the Bank.

11.2 The Borrower may forthwith upon being notified of the Substitute Basis and in any case not later than 7 days after such notification, by giving the Bank not less than 14 days' notice (such notice to be effective only upon receipt and is irrevocable), prepay on or before the expiry of such notice period all of the Facility in question in accordance with and subject to the provisions of the Facility Letter.

12. MATERIAL AND ADVERSE CHANGE AFFECTING FOREIGN CURRENCY

If and whenever the Bank has determined (which determination shall be conclusive), that by reason of any national or international, financial, political or economic conditions, currency availability or exchange controls, a Foreign Currency requested for by the Borrower is unavailable to the Bank, the Borrower's request for such Foreign Currency shall (upon the Bank's notification to the Borrower of the unavailability) be deemed to be withdrawn and the Borrower may request for an alternative Foreign Currency subject to the terms of the Facility Letter and to availability.

13. NOTICES

13.1 Any notice or communication to the Borrower or such Security Provider (as the case may be) may be given in writing or orally. If in writing, it may be delivered personally, or by post, courier, facsimile, SMS or electronic mail to the last known address, number or electronic mail details or to such other address, number or electronic mail details as the Borrower or each Security Provider (as the case may be) may have notified the Bank in writing or by other electronic means or on the Bank's website and will be deemed to be given or made or received:

- (a) if delivered personally, at the time left at the relevant address;
- (b) if sent by post (airmail, if overseas), 2 days after posting or 7 days after posting if by airmail, notwithstanding that it is returned by the post office undelivered;
- (c) if sent by registered mail or courier, on the date it is delivered or delivery is attempted, notwithstanding that it is undelivered or returned undelivered;
- (d) if sent by facsimile, at the time shown on the transmission report as being successfully sent;
- (e) if sent by electronic mail or SMS, at the time of delivery from the Bank's electronic messaging system notwithstanding that it was not successfully delivered;
- (f) if delivered via other electronic means, 24 hours after the Bank sends it notwithstanding that it was not successfully delivered;
- (g) if orally, when given to the Borrower or the relevant Security Provider (as the case may be) or person authorised to accept such demand or notice as set out in the Bank's records;
- (h) Notwithstanding the above, the Borrower undertakes to, and shall, deliver to the Security Provider a copy of any notice or communication given by the Bank to the Borrower when received and the Security Provider undertakes and agrees to ensure that it receives a copy of the same.

13.2 Any notice or communication in relation to the Facilities to the Bank must be given in writing at its address notified to the Borrower or the Security Provider (as the case may be) and shall be deemed to be given or made or received only on the day of actual receipt by the Bank and it being agreed that the burden of proving receipt will be on the sender.

14. INDULGENCE OF BANK

14.1 No failure or delay by the Bank in exercising or enforcing any right or remedy available to it (collectively "**Rights**") shall constitute a waiver of such Rights or limit, prejudice or impair the Bank's right to take any action or to exercise any Rights against the Borrower and/or any Security Provider without notice or demand, or render the Bank responsible for any Losses arising therefrom nor shall any single or partial exercise by the Bank of the Rights preclude any other or further exercise thereof or the exercise of any other rights or remedies. The Rights of the Bank are cumulative and not exclusive of any other rights, power, privilege, claim or remedy available at Law or otherwise.

14.2 Without limiting the foregoing, no waiver by the Bank of any breach of the Facility Documents shall be deemed to be waiver of any subsequent breach by the Borrower or the relevant Security Provider.

14.3 Time shall be of the essence but the Bank may grant time or other indulgence to the Borrower and/or any Security Provider or any other person, without in any way impairing or affecting any of the Bank's rights as against the Borrower and/or any Security Provider (as applicable) or any such other person.

14.4 The Bank may accept late or partial payment of amounts due to the Bank or as settlement of any matters in dispute, without prejudice to any of the Bank's rights under the Facility Document or at Law, and it shall not be treated as an amendment to the Facility Documents nor waiver thereof.

15. CHANGE OF ADDRESS

Any change of address of the Borrower or any Security Provider must be promptly notified to the Bank in writing or in any other manner agreed to by the Bank.

16. RIGHT OF DISCLOSURE

16.1 The Borrower and each Security Provider permits the Bank to disclose and/or transfer (whether with or without notice to the Borrower and/or Security Provider (as the case may be) and whether orally or in writing) to the extent not prohibited by applicable Laws, any information relating to the Borrower and each Security Provider, any of their respective accounts or assets and/or any transactions or dealings between the Bank and the Borrower and/or the Security Provider (as the case may be) (including details of Transactions) in accordance with the Data Policy Notice. In addition to the list set out in paragraph (e) of the Data Policy Notice, the Bank may transfer such data to:

- (a) employees, directors and officers of any Affiliates;
- (b) any agent, contractor or third party service provider (or a subsidiary, holding company or related company thereof) that provides financial, administrative, data management or archiving, telecommunications, computer, payment or securities clearing, data processing, market research or other services to the Bank or any of the Affiliates in connection with the operation of its business (including their employees, directors and officers);
- (c) any person providing a guarantee or security in favour of the Bank to guarantee or secure the Borrower's obligations to the Bank or to any professional adviser of such person;
- (d) any person who has or will incur obligations to the Bank pursuant to which the Borrower is providing a guarantee or security in favour of the Bank or to any professional adviser of such person;
- (e) any professional advisers acting for the Bank, the Borrower or a Security Provider;
- (f) such Relevant Authorities to whom the Bank deems fit to disclose information, for purposes in connection with any Account of the Borrower and/or the Security Provider (as the case may be), any products, services and facilities from time to time offered by the Bank or Transactions;
- (g) any person to whom information is required to be disclosed in connection with, and for the purposes of, any litigation, arbitration, administrative or other investigations, proceedings or disputes;
- (h) any actual or proposed assignee of the Bank or participant or sub-participant or transferee of the rights of the Bank in respect of the Borrower;
- (i) the insurer, valuer or proposed insurer or valuer of the Asset;
- (j) credit or charge card companies in credit or charge card enquiries;
- (k) any person with the consent of the Borrower and/or the Security Provider (as the case may be); and
- (l) pursuant to any contractual or other commitment (which may be within or outside Hong Kong).

Use of any personal data shall be in accordance with the Bank's Data Policy Notice.

16.2 The Borrower and each Security Provider agrees that the Data Policy Notice issued by the Bank applies. A copy of the Data Policy Notice is available from the Bank's website (www.dbs.com/hk) or the Bank.

16.3 The Borrower and each Security Provider confirms that they have the permission of each individual whose personal data they respectively give to the Bank for the Bank to receive, hold, process and use those data in line with the Data Policy Notice.

16.4 The Borrower and each Security Provider further agree that the Bank may:

- (a) verify, provide and collect information about the Borrower and each Security Provider from other organisations, institutions or other persons;
- (b) transfer data outside Hong Kong; and
- (c) compare any data obtained from the Borrower and each Security Provider and use the results for the taking of any actions including actions that may be adverse to their interest.

16.5 The Bank's rights under this Clause 16 shall be in addition and without prejudice to any other rights of disclosure which the Bank may have under any Laws and nothing herein is to be construed as limiting any of those other rights.

17. OTHER TERMS AND CONDITIONS

- 17.1 Any Facility Letters (and each amendment, modification and waiver in respect of it) may be executed in counterparts, all of which, taken together, shall constitute one and the same letter.
- 17.2 If there is any conflict or inconsistency between the Standard Conditions and those contained in the Facility Letter, the terms and conditions in the Facility Letter shall prevail.
- 17.3 The Bank may from time to time in its sole and absolute discretion amend, add to, revise, modify, replace, and/or vary the Standard Conditions or any part thereof by notice in writing and such variation shall take effect from the date stipulated by the Bank in its notice.
- 17.4 Any payment under the Facility Documents due to be made on a day that is not a Business Day shall be made on the next Business Day in the same calendar month (if there is one) or the preceding Business Day (if there is not). During any extension of the due date for payment of any principal or unpaid sum, interest is payable on the principal or unpaid sum at the rate payable on the original due date. If an interest period would otherwise end on a day which is not a Business Day, that interest period will instead end on the next Business Day in that calendar month (if there is one) or the preceding Business Day (if there is none).

18. GOVERNING LAW

- 18.1 Unless otherwise expressly stated in these Standard Conditions, the Facility Letter and all matters relating to the Facilities shall be governed by and construed in accordance with the laws of Hong Kong. The Borrower and each Security Provider submit to the jurisdiction of the Hong Kong courts, but without prejudice to the Bank's right to commence proceedings in any other jurisdiction whether concurrently or not.
- 18.2 The service of legal process may be effected on the Borrower or any Security Provider by leaving or mailing a copy thereof by registered or certified prepaid airmail post to the Borrower or the relevant Security Provider (as the case may be) at the Borrower's or the relevant Security Provider's last known address in the Bank's records, such service becoming effective on the date it has been left at that address (if served by personal delivery) or 7 calendar days after such mailing, notwithstanding that it is returned by the post office undelivered. Nothing herein shall affect and/or limit the Bank's right to serve process in any other manner permitted by Law in any jurisdiction.
- 18.3 For any persons appointed by the Borrower or any Security Provider to be its agent ("**Process Agent**") to accept service of process in any proceedings in relation to any Facility Document, such service shall be deemed to be good and effectual service of process on the Borrower or the Security Provider on delivery to the Process Agent, whether or not it is forwarded to the Borrower or the Security Provider by the Process Agent. If for any reason the Process Agent ceases to be able to act as such or no longer has an address in Hong Kong, the Borrower or the Security Provider (as the case may be) agrees to appoint a new process agent acceptable to the Bank, and to deliver to the Bank a copy of the new agent's acceptance of that appointment, within 7 calendar days thereof.

19. SEVERABILITY

The invalidity, illegality or unenforceability of any provision herein under any applicable Law shall not affect the validity, legality or enforceability under the Law of any other jurisdiction nor the validity, legality or enforceability of any other provisions.

20. RIGHTS AND OBLIGATIONS BINDING ON BORROWER AND SECURITY PROVIDER

The rights given to the Bank in the Facility Documents and the obligations of the Borrower or any Security Provider to the Bank shall be binding on the Borrower or each Security Provider and each of their successors and shall not be determined or discharged or in any way prejudiced or affected by (i) any liquidation (whether compulsory or voluntary), receivership, insolvency or winding-up affecting the Borrower or any Security Provider or any change of or effect on the Borrower's or any Security Provider's (or any of its partners, as the case may be) constitution whether by way of amalgamation, consolidation, reconstruction or otherwise, or (ii) any change in the Bank's constitution whether by way of amalgamation, consolidation, reconstruction or otherwise, or (iii) any death, bankruptcy, insanity, invalidity, retirement, admission, dissolution or other disability affecting the Borrower or any Security Provider (or any of its partners as the case may be), or (iv) any Events of Force Majeure.

21. INDEMNITY

- 21.1 The Borrower shall fully indemnify the Bank against all Losses (including broken funding cost and, foreign exchange losses) howsoever suffered or incurred by the Bank as a result of or in connection with any advances prepaid, any advances requested for but not made, unwinding costs for foreign exchange or any derivative transactions terminated before the contracted maturity date unless arising solely from the negligence, wilful default or fraud of the Bank.

21.2 Each Security Provider shall fully indemnify the Bank from and against:-

- (a) all Losses, suffered or incurred by the Bank in consequence of or arising from the Facilities and/or the Facility Documents to which that Security Provider is a party, or for anything done or omitted in the exercise or purported exercise of the powers herein contained or occasioned by that Security Provider's breach of any representation, warranty, undertaking or obligations to the Bank therein; and
- (b) all claims, actions and proceedings against the Bank by any purchaser of any Assets provided as collateral to the Bank under any Facility Document and any Losses which the Bank may suffer or incur or by reason of any defect in the Security Provider's title to those Assets.

21.3 Each Security Provider shall pay the Bank on demand the amount indemnified and shall pay interest on the sums demanded at the default interest rate as the Bank may in its absolute discretion determine after the date of demand.

22. CURRENCY INDEMNITY

22.1 If any sum due from a Borrower or any Security Provider under the Facility Documents (a "**Sum**"), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of:

- (a) making or filing a claim or proof against the Borrower or that Security Provider; or
- (b) obtaining, satisfying or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings,

the Borrower and that Security Provider shall as an independent obligation, within three Business Days of demand, indemnify the Bank to whom that Sum is due against any Losses arising out of or as a result of the conversion including any discrepancy between (A) the rate of exchange used to convert that Sum from the First Currency into the Second Currency and (B) the rate or rates of exchange available to that person at the time of its receipt of that Sum.

22.2 The Bank shall use the rates of conversion as the Bank may decide at its sole and absolute discretion.

22.3 The Borrower and any Security Providers each waive any right it may have in any jurisdiction to pay any amount under the Facility Documents in a currency or currency unit other than that in which it is expressed to be payable.

23. ACKNOWLEDGEMENT OF RISK

23.1 The Borrower and any Security Providers each acknowledges that the Facilities granted in a currency other than the Borrower's base currency may, because of the lower interest rates in relation to such other currencies, provide potentially cheaper borrowing costs. However, possible adverse currency movements may eliminate the benefit of cheaper borrowing costs and result in substantial losses.

23.2 The Borrower and any Security Providers each acknowledges that it is aware of the risk of movements of both interest and exchange rates and has considered the same prior to borrowing in foreign currencies.

23.3 The Borrower and any Security Providers each acknowledges and agrees that:

- (a) Where the Bank approves any Facilities to be disbursed in Renminbi ("**RMB**"), the Bank may use the term "**CNY**" in certain documents relating to such Facilities disbursed or to be disbursed in RMB to denote the RMB that is freely available outside of the People's Republic of China (the "**PRC**"). References to the PRC exclude the Hong Kong and Macau Special Administrative Regions. As RMB is currently not a freely convertible currency and the transfer of RMB to and from the PRC is restricted, conversion of RMB through the Bank is dependent on the availability of RMB outside of the PRC and may be subject to restrictions prevailing at the relevant time.
- (b) All Facilities which may be disbursed in any Foreign Currency as approved by the Bank and any other related transaction shall be dependent on availability of such currencies and shall be subject to, and the Borrower will comply at all times with, all applicable Law and any amendments or changes thereto that are now or hereafter issued by any Relevant Authority. The Bank is not in any way obliged to inform the Borrower of or ensure the Borrower's compliance with any such applicable Law and any such amendments or changes thereto.
- (c) The Bank shall not be responsible or liable to the Borrower or any Security Provider or any other person whatsoever for the diminution in the value of any Foreign Currency due to Taxes or depreciation or for the unavailability of such Foreign Currency, unavailability of an exchange rate for such Foreign Currency due to restrictions on convertibility or of any other Events of Force Majeure. In addition, if the currency's country/region of origin restricts conversion,

availability, credits or transfers of such currency, the Bank shall have no obligation to pay the Borrower or, if applicable, any Security Provider such sums in such currency or any other currency. In such an event, the Borrower or any Security Provider agrees to irrevocably waive all claims and/or rights which it may have against the Bank in relation to any Losses which it may suffer or incur.

24. TAXATION

- 24.1 All amounts payable by the Borrower or any Security Provider shall be made without set-offs, counterclaims, restrictions, conditions or deductions of whatsoever kind and shall be made free and clear of any deduction or withholding of any Taxes.
- 24.2 If the Borrower or any Security Provider is required by any Law to make any such deduction or withholding, the Borrower or the relevant Security Provider shall (i) promptly pay to the Bank such additional amounts to ensure that the Bank receives a net amount equal to the full amount which the Bank would have received if no such deduction or withholding has been made; and (ii) pay the full amount deducted or withheld to the appropriate authority promptly and in accordance with applicable Law and to immediately upon such payment, deliver to the Bank within 30 days (or such period as the Bank may require) after the due date of the payment of such deduction or withholding, the receipt issued by such authority evidencing such deduction, withholding or payment.
- 24.3 If the Bank is required by Law to make any payment of Taxes (other than tax on its overall net income), on or calculated by reference to any amounts paid by the Borrower or any Security Provider, then the Borrower or that Security Provider shall on demand pay to the Bank an amount sufficient to fully indemnify the Bank against such payment.

In the event that any Taxes are now or hereafter required by Law to be paid on or in respect of any sums payable to the Bank or any other matters under or relating to the Facilities or any security relating to the Facilities, the same shall be borne by the Borrower and the Borrower shall pay to the Bank the amount of any such Taxes (or such part thereof which the Law does not prohibit the Bank from collecting from the Borrower) on or before the same becomes due under Law, in addition to all other sums payable to the Bank in relation to the Facilities and the Borrower shall fully indemnify the Bank against payment thereof.

25. RIGHT OF REVIEW

- 25.1 The Facilities are uncommitted and payable on demand and accordingly, the availability and/or utilization of the Facilities or any part thereof is subject entirely to the Bank's sole and absolute discretion, unless the Facility Letter provides otherwise. The Bank has the right, at any time and without prior notice to the Borrower to immediately terminate, suspend, cancel or withdraw the Facilities or any of them and/or demand immediate repayment of all sums owing to the Bank under the Facilities. Amounts owing under any Facilities including accrued interest, shall be payable by the Borrower on demand.
- 25.2 Additionally, the Bank may review any or all Facilities from time to time at its sole and absolute discretion and notwithstanding any other provisions of the Facility Letter, the Standard Conditions or any other document, the Bank may at its sole and absolute discretion vary, reduce or revise the Facilities or any of them. The Bank will give prior notice to the Borrower or any Security Provider in a manner the Bank considers appropriate.
- 25.3 Without limiting the Bank's right to terminate any Facilities and demand immediate repayment at any time, the Borrower acknowledges that the Bank may do so if:-
- (a) the Bank believes or has actual or constructive knowledge that the Borrower or any Security Provider becomes a Designated Business Customer or the Borrower lends any of the RMB proceeds obtained from the Facility(ies) to any Designated Business Customer; or
 - (b) in its absolute opinion finds that the credit rating by any competent rating agency of any insurer issuing any insurance policy provided to the Bank as collateral unsatisfactory or unacceptable.
- 25.4 Without prejudice to any other rights of the Bank, the Bank reserves the right and shall be entitled at any time and from time to time at its absolute discretion to:

50.3 The Total Indebtedness and/or Secured Assets will be marked-to-market from time to time by the Bank with reference to the rates or prices prevailing at the relevant time in the relevant market obtained from screen based sources, other market participants or sourced from internally or by employing commonly accepted valuation methods. The valuations may therefore not correspond with valuations given by another market participant and the Bank shall have no liability in respect of any error or omission arising from the valuations given or from use made of the valuations or reliance placed on them.

- 50.4 If the LTV exceeds the CL, the Bank may, at the Bank's sole and absolute discretion and without any obligation whatsoever to do so and without prejudice to any other rights that it may have, exercise any right of review conferred on it and/or revise the principal limit of any or all of the Facilities granted to the Borrower and/or notify the Borrower or any Security Provider (as the case may be) (whether orally or in writing) of such determination, whereupon the Borrower or any Security Provider (as the case may be) shall within the period of time specified by the Bank in the notification (which period may be at the Bank's sole and absolute discretion less than 24 hours), either (i) provide to or procure the provision to the Bank of additional Secured Assets of sufficient value and in a form and substance acceptable to the Bank, or (ii) reduce (or, as the case may be, procure that the Borrower reduces) the Total Indebtedness so as to restore the LTV to a level where the Total Indebtedness is within the total MV. Such request to provide additional Secured Assets or to reduce the Total Indebtedness is known as a "margin call".
- 50.5 Notwithstanding any other provision herein or in the Facility Documents, if within the time stipulated in the margin call, the Borrower or any Security Provider (as the case may be) fails to provide Secured Assets of sufficient value and in a form and substance acceptable to the Bank, or reduce the amount of the Total Indebtedness so as to restore the LTV to a level where the Total Indebtedness is within the total MV and/or if the LTV exceeds the SL or an Event of Default occurs, then without prejudice to any other rights that the Bank may have, the Bank shall be entitled immediately or at any time afterwards (but shall not be obliged to do so) notwithstanding that the notification may have been given to the Borrower or any Security Provider under Clause 50.4 above and/or the notice period provided under Clause 50.4 may not have expired, without notice to the Borrower or any Security Provider (as the case may be) and without the consent of the Borrower or any Security Provider, to exercise and enforce all its rights under any applicable Facility Document in accordance with its terms and to take whatever action that the Bank considers appropriate to reduce the Total Indebtedness to such level as the Bank may determine at its sole and absolute discretion and/or to protect the Bank's position. Such rights include, without limitation, setting off the Total Indebtedness against any deposits charged to the Bank, selling any Secured Assets in such manner and at such price and whether on tender of cash or credit, as the Bank may deem expedient and/or to close out all or any of the open and/or unsettled transactions, at the Bank's sole and absolute discretion to such extent required by the Bank within the time determined by the Bank (which period may, at the Bank's sole and absolute discretion be less than 24 hours), in each case the Bank not being responsible for Losses howsoever arising. The Bank may purchase the currency of the Total Indebtedness at the Bank's then prevailing spot rate of exchange (as conclusively determined by the Bank) with the currency of the deposits and/or proceeds from the sale of the Secured Assets and/or from the closing out of the transactions and applying the proceeds towards satisfaction of the Total Indebtedness. If the proceeds from the enforcement of any Facility Document are insufficient to fully discharge the Total Indebtedness, the Borrower or any Security Provider (as the case may be) will continue to be fully liable for any shortfall and interest will continue to accrue until the Bank receives full payment.
- 50.6 The Bank may in addition to its rights under Clause 50.5, declare the Facilities as cancelled and terminated forthwith and/or declare all the Borrower's liabilities in respect of the Facilities due and payable at any time.
- 50.7 For the purposes of determining the FQ or LV, CL and SL, the Bank may effect such currency conversions at its prevailing rates and such conversions shall be conclusive and binding on the Borrower absent of manifest error. The Bank reserves the right, and the Borrower and any Security Provider agree and acknowledge that the Bank is entitled to vary and amend the FQ or LV, CL, SL, LTV and/or MV at the Bank's sole and absolute discretion at any time and such determination shall be conclusively binding on the Borrower or Security Provider (as the case may be).
