#### General notes:

- (a) The standard annual rate applicable to you is shown on the Annualized Percentage Rate ("APR") Table, card mailer, monthly statement or other notices issued by the Bank to you from time to
- (b) Finance charge levied to a credit card account is subject to a minimum of **HK\$10**.
- (c) Finance charge will be calculated at the applicable rate on a 365-day yearly basis.
- (d) For transaction types with\*, finance charge will be levied from the date of transaction until the date of actual full repayment of the relevant transaction.
- (e) The interest imposed on cash advance transactions is charged from the date a cash advance is made until the date of actual repayment. The interest shown in your credit card statement only covers the interest accrued up to the statement date. Any interest accrued after the statement date will be shown in the next statement. You may contact the Bank to inquire about how to fully settle the interest charge before the next statement date.
- (f) Since different products may be subject to different charges or fees, the same standard annual rate charged on different products may result in a different APR. For the respective APR, please refer to the APR Table.

Fee relating to Settling Foreign Currency Transaction in Hong Kong Dollars	Customers may sometimes be offered the option to settle foreign currency transactions in Hong Kong dollars at the point of sale overseas. Such option is a direct arrangement offered by the overseas merchants and not the card issuer. In such cases, customers are reminded to ask the merchants for the foreign currency exchange rates and the percentage of handling fees to be applied before the transactions are entered into since settling foreign currency transactions in Hong Kong dollars may involve a cost higher than the foreign currency transactions in Hong Kong dollars made outside Hong Kong, Visa / Mastercard / American Express imposes a charge of 1% of the transaction amount on the Bank, we will charge the same on the customers (except for DBS Live Fresh Card).  Visa / Mastercard / American Express also imposes a charge of 1% of the transaction amount on the Bank for online transactions in Hong Kong Dollars with merchants whose place of registration and/or settlement are outside Hong Kong (based on the merchants' setting), we will charge the same on the customers (except for DBS		
Request for cancellation or amendment of "Pay in Instalments"	Live Fresh Card). <b>HK\$150</b> per item		

#### Remarks:

- 1. This Fee Schedule applies to all credit cards and private lable cards issued by DBS Bank (Hong Kong) Limited (the "Bank"), except DBS Business Card.
- 2. The standard annual rate and APR applicable to DBS Pay Less VISA is 17% p.a. and 18.39%, respectively.
- 3. The fee will be charged to the credit card account on the first statement date of the following calendar year. If you hold more than one credit card account, the Bank may charge the fee to a credit card account as determined by the Bank at its sole discretion.
- 4. The Bank reserves the right to vary or review the above rates, fees or charges from time to time, subject to prior notice being served on cardholders.

#### Remarks:

- 1. These APRs are calculated in accordance with the guidelines issued by the Hong Kong Monetary Authority in respect of the Code of Banking Practice and under the assumption that the minimum payment of each monthly statement is settled before the relevant payment due date ("Basis of Calculation"). Since different products may be subject to different charges or fees, the same Standard Annual Rate charged on different products may result in a different APR.
- 2. This APR is calculated based on a modified Basis of Calculation which has taken into account the effect of the interest free period in the first statement cycle. The modified Basis of Calculation reflects the actual charging method the Bank currently adopts. The APR calculated in accordance with the Basis of Calculation is **35.94%**.
- 3. This APR is calculated based on a modified Basis of Calculation which has taken into account the effect of the interest free period in the first statement cycle. The modified Basis of Calculation reflects the actual charging method the Bank currently adopts. The APR calculated in accordance with the Basis of Calculation is 35.94%. Both APRs based on the Basis of Calculation or modified Basis of Calculation are calculated after taking into account the refund of handling fee (if applicable).
- 4. The Bank reserves the right to vary or review the above rates from time to time subject to prior notice being served on Cardholders.
