Cautionary Notes on Using Research Tools

The “Stock Screener” and “Stock Comparer” tools (collectively known as “Research Tools”) are our latest innovation in enhancing the provision of information for online self-directed investors to conduct their own analysis in relation to securities.

Whilst much effort has gone into the design and testing of these Research Tools, DBS Bank (Hong Kong) Limited (“DBS HK”) and its direct and indirect holding companies, subsidiaries, affiliates, branches, representative offices (including branches or representative offices of such holding companies, subsidiaries or affiliates) ("DBS Group") do not warrant or guarantee the reliability, consistency or accuracy of these tools due to the inherent nature, and risks associated with, the technical aspects of this portal (including any search, compare and/or sort functions) and the internet.

The data and information contained in this portal are sourced from third party vendors such as Thomson Reuters and various stock exchanges. We do not warrant, guarantee or represent the timeliness, accuracy and completeness of information, the data contained in this portal, the methodologies behind the data, the manner of presentation and the usefulness or suitability of the information to you. Vendors and other providers of information may have differing methodologies in labelling, grouping, defining and/or presenting their information to the members of DBS Group and the members of DBS Group do not reconcile them or verify/ensure its accuracy or suitability. These methodologies and the manner of presentation may also be changed from time to time by the third party vendors without adequate or appropriate notice to us.

Please read the legends/keys and refer to the glossary as much as possible to get a clearer understanding of various financial terms to enhance your experience with using these Research Tools.

You should always verify the information derived from this portal with a third party such as your investment adviser, accountant, tax adviser or solicitor before effecting any investment decision based on such data and/or information.

All information and features in this portal including Ready Filters and demo/usage examples are for illustration purposes only and are not to be regarded by you as advice and/or recommendation (however described in this portal) and shall not bind DBS Group. DBS Group do not act as an adviser and assumes no fiduciary responsibility or liability for any consequences, financial or otherwise, arising from any arrangement or entrance into any transaction in reliance on the information contained herein. No member of DBS Group shall be responsible for any losses, claims, actions, proceedings, demands, liabilities, losses, damages, costs and/or expenses (howsoever described and/or caused) arising out of or in connection with your usage of these Research Tools. The Research Tools do not have regard to your specific investment objectives, financial situation and particular needs. In order to build your own independent analysis of any transaction and its consequences, you should consult your own independent financial, accounting, tax, legal or other competent professional advisors as you deem appropriate to ensure that any assessment you make is suitable for you in light of your own financial, accounting, tax, and legal constraints and objectives without relying in any way on DBS Group.

When comparing securities, it is important to understand that the following (which are not exhaustive and may vary according to, inter alia, the country, the stock exchange or the board on which the stock or other security is listed on the relevant stock exchange) may have an effect on the securities including its financial performance:

- Specific laws and accounting practice;

- Listing and settlement rules, rules of the relevant stock exchange or currency of the securities;
- Industry/Sector classification of the securities; and
- Financial year-end month and last reporting year.

Comparisons even with any or all of these considerations and information could result in serious distortions in your decision process to trade or transact in the securities that could possibly lead to losses including financial losses.

We reserve the right to impose conditions from time to time on the usage of these Research Tools. Such conditions may include a monthly fixed fee, a minimum monthly commission fee or other fees to be paid to us. We also reserve the right to change these conditions from time to time.

You agree that no member of DBS Group shall be liable for any losses, claims, actions, proceedings, demands, damages, costs and/or expenses (howsoever described and/or caused) that you may suffer or incur arising out of or in connection with (directly or indirectly) your usage of these Research Tools. The Terms and Conditions for DBS iBanking Service of DBS HK as may be amended from time to time will continue to be applicable. The terms, conditions and limitations stated in these Cautionary Notes shall prevail to the extent of any inconsistency.
