RE: Automatic Conversion of B CDSC Shares

Dear Valued Shareholder:

Please note that since December 2015 the prospectus of the Fund (the “**Prospectus**”) provides for the automatic conversion of B Shares into the relevant A Shares of the same portfolio of the Fund (the “**Conversion**”). The board of managers of AllianceBernstein (Luxembourg) S.à r.l. (the “**Board**”) has determined to implement the Conversion as described below.

On 31 August 2021, your holdings in Class B CDSC Shares, which will have been held for the required holding period described in the Prospectus, will automatically be converted into the relevant A Shares of the same portfolio of the Fund as reflected in more detail under **Annex 1** of the present notice.

B CDSC Shares held through a financial intermediary in an omnibus account for which the recordkeeping on the underlying investors is managed by the financial intermediary will continue to be converted based on the instructions of the registered owner of the omnibus account. If you hold your eligible B CDSC Shares through accounts with financial intermediaries, the conversion will be subject to the relevant financial intermediaries' instructions, and please contact the relevant financial intermediaries for more information about converting your eligible B CDSC Shares.

The Board is of the opinion that the Conversion is in the best interests of B Shareholders of the Fund as they will benefit from the same share class features without being charged a distribution fee. For the avoidance of doubt, the investment strategy will not change.

Unless otherwise indicated, all capitalised terms shall have the same meaning as otherwise described in the Prospectus.
