"Article 4 - Object of the Company

The exclusive purpose of the Company is to invest the assets of the Company in transferable securities, money market instruments and other assets as permitted by the Law of 17 December 2010 on Undertakings for Collective Investment as amended from time to time (the "Law") and, to the extent applicable, the EU Regulation 2017/1131 of the European Parliament and of the Council of 14 June 2017 on money market funds as amended from time to time (the "Money Market Funds Regulation"), in accordance with the principle of risk diversification and with the objective of paying out to shareholders the profits resulting from the management of the assets of the Company, either through distributions or through accumulation of income in the subfund.

The Company may take any measures and execute any transactions that it considers expedient with regard to the fulfilment and implementation of the object of the Company to the full extent permitted by the Law as well as subsequent amendments and, where applicable, the Money Market Funds Regulation."

3. Update of the Articles to reflect the amended Luxembourg Law of 10 August 1915 on commercial companies as well as other minor changes and, accordingly amend articles 2, 5, 6, 10, 11, 12a, 12b, 14, 17, 18, 19, 22, 23, 24, 26, 27 of the Articles.

BACKGROUND TO RESOLUTIONS

As regards the proposed changes of the Articles to be made with the above resolutions, the Board of Directors of the Company would like to provide the following additional information on the background of these changes:

1. The Board of Directors informs the shareholders of the Company that the ESMA published their final reports on (i) the Draft Regulatory Technical Standards on Liquidity Management Tools ("LMTs") under the AIFMD and UCITS Directive as well as (ii) Guidelines on LMTs of UCITS and open-ended AIFs following the entry into force of directive 2024/927 amending the AIFMD and UCITS Directive with regards in particular to LMTs measures to be implemented by EU investment funds as well as LMTs related requirements (together the "LMTs Rules").

In anticipation to the entry into force of the LMTs Rules, it is considered to update the Company's Articles by implementing the relevant required provisions on LMTs so as to comply with the LMTs Rules. The Board of Directors has decided to cover the whole catalogue of LMTs permitted under the LMTs Rules in the Articles and make them available to the Company. The Company and the Management Company will then select the applicable LMTs on a subfund-by-subfund basis, considering in all instances the best interest of investors as well as the pursued investment strategy of each subfund, its dealing terms, its liquidity profile, the results of liquidity stress testing, the characteristics of the subfund's investor base, its distribution policy, its redemption policy and any other relevant operational barriers and complexities that may impact on the feasibility of implementing certain LMTs as well as relevant regulatory requirements. Shareholders will be informed about the details of each LMTs and their selection, activation and calibration for each subfund as described in the HK Prospectus of the Company.

For subfunds authorised by the SFC in Hong Kong, the Management Company will only apply LMTs including (i) side pockets; (ii) suspension of subscriptions, repurchases and redemptions; (iii) redemption gates; and (iv) swing pricing, as will be further described in the HK Prospectus of the Company, unless otherwise separately notified to Hong Kong investors.

2. In light of potential future commercial opportunities, the Board of Directors requests the flexibility to create within the Company subfunds qualifying as money market funds ("MMF"), it is also considered to amend the Articles so as to include the relevant provisions of Regulation (EU) 2017/1131 of the European Parliament and of the Council of 14 June 2017 on MMF. At this time, the Company does not have plans to immediately launch any MMF and any future creation of MMF would be subject to a decision of the Board of Directors.
3. The above-described contemplated amendments would be the opportunity to restate and update the Articles in light of the reform of the amended Luxembourg Law of 10 August 1915 on commercial companies (the "**Companies Law**") as well as implement any minor amendments that are standard provisions. This includes the deletion of provision referring to the issuance of bearer shares by the Company. Since the entry into force of the Law of 28 July 2014 regarding immobilisation of bearer shares and units (the "**2014 Law**"), all shares have been issued as registered shares. The 2014 Law also provided that bearer shares in issuance at that time needed to be deposited with the Depositary by 18 February 2016. Bearer shares deposited with the Depositary have been converted into registered shares. Bearer shares not deposited by 18 February 2016 have been cancelled and the cash equivalent of such cancelled shares, or, absent such cash equivalent, other assets of equivalent value, were deposited with the Luxembourg *Caisse de consignation*. Given that bearer shares no longer have any practical relevance for the Company, the references to such instruments within the Articles can be removed.

VOTING

The aforementioned resolutions will require a quorum of 50% of the capital and will be passed by a majority of two thirds of the votes cast. Votes cast shall not include votes attaching to shares in respect of which the shareholders have not taken part in the vote or have abstained or have returned a blank or invalid vote. The quorum and majority requirements will be determined with accordance to the outstanding shares on **14 January 2026 midnight CET (15 January 2026 7 a.m. HKT)** (the "**Record Date**"). The voting rights of shareholders shall be determined by the number of shares held at the Record Date.

Each share entitles to one (1) vote and each shareholder may vote in person or by proxy.

If the quorum is not reached, the Meeting will have to be reconvened in the manner prescribed by Luxembourg law. The reconvened meeting may validly deliberate without any quorum and resolutions will be passed under the same conditions as for the Meeting.
