4. Creation of the following Type of Share Class in the **Thematics AI and Robotics Fund:**

Share Class Type	All-in-Fee	Maximum Sales Charge	Redemption Charge / CDSC	Minimum Initial Investment	Minimum Holding
S2	0.70%	4%	None	USD 250,000,000 or equivalent	1 share

5. Update of the description of the “Charges and Expenses” section of the Prospectus

Section “Charges and Expenses” has been updated so as to provide for further transparency and describe in more detail the fees payable by each Fund.

In this context, the Total Expense Ratio has been renamed “All-In-Fee” and references to All-In-Fee have been reflected in the supplement of each Fund.

The level of fees applicable to each Fund will not increase because of this update.

6. Changes to the **Loomis Sayles Strategic Alpha Bond Fund:**

- In light of the discontinuation of the 3 Month USD Libor, the reference index of the Fund has been amended as follows:

Reference Index

The Fund is not managed relative to a specific index. However, for indicative purposes only, the Fund's performance may be compared to **ICE BofA US 3-Month Treasury Bill** ~~3-Month-USD Libor~~ Index. In practice, the portfolio of the Fund is likely to include constituents of the index, however, the Fund is unconstrained by the reference index and may therefore significantly deviate from it.

7. Changes to **Thematics AI and Robotics Fund, **Thematics Subscription Economy Fund** and **Thematics Meta Fund****

The Funds’ supplements have been amended as follows:

- insertion of a 10% limit to the investments in REITs: while investments in REITs were already foreseen by the existing investment policy, the Funds’ supplements have been updated to clarify the limit applicable to such investments i.e. 10% of each Fund’s net assets;
- clarification of the extent to which the Funds may hold deposits at sight (20%): in accordance with the limit already provided for in the general part of the Prospectus, the Funds’ supplements have been updated to also reflect such limit; and

- enhancement of the disclosures related to “Sustainability Risks”: this section of each Fund’s supplement has been updated with revised disclosures.

Such changes are not expected to have any material impact on the way the Funds are being managed or on their risk profiles.

8. Changes to Thematics Safety Fund, Thematics Water Fund and Thematics Wellness Fund

The Funds’ supplements have been amended as follows:

- clarification that the Funds are actively managed and benefit from the French SRI label;
- enhancement of disclosures to include references to “secular growth trends” in the investment policy of the Funds;
- insertion of a 10% limit to the investments in REITs: while investments in REITs were already foreseen by the existing investment policy, the Funds’ supplements have been updated to clarify the limit applicable to such investments i.e. 10% of each Fund’s net assets;
- clarification of the extent to which the Funds may hold deposits at sight (20%): in accordance with the limit already provided for in the general part of the Prospectus, the Funds’ supplements have been updated to also reflect such limit; and
- enhancement of the disclosures related to “Sustainability Risks”: this section of each Fund’s supplement has been updated with revised disclosures.

Such changes are not expected to have any material impact on the way the Funds are being managed or on their risk profiles.

9. Update of the SFDR Annexes

The Funds’ SFDR Annexes have been updated to comply with the Commission Delegated Regulation (EU) 2023/363 of 31 October 2022 amending and correcting the regulatory technical standards laid down in Delegated Regulation (EU) 2022/1288 as regards the content and presentation of information in relation to disclosures in pre-contractual documents and periodic reports for financial products investing in environmentally sustainable economic activities. As a result, required disclosures for fossil gas or nuclear energy investments have been added to SFDR Annex of each Fund.

10. Update of the SFDR Annex of Loomis Sayles U.S. Growth Equity Fund

The SFDR Annex of this Fund will be updated to provide for more transparency with regard to the promotion of environmental and social characteristics by this Fund. In addition, the minimum proportion of the Fund’s portfolio aligned with the environmental or social characteristics promoted will be increased to 80% (instead of 50%). This update has no impact on the way the

Fund is being managed or on its risk profile.
