NOTICE OF EXTRAORDINARY GENERAL MEETING OF THE COMPANY

Dear Shareholder,

An extraordinary meeting of the shareholders of the Company (the "**Meeting**") will be held at the registered office of the Company, located at 2-4, Rue Eugène Ruppert, L-2453 Luxembourg, on Thursday 15 October 2026 at 11.30 am Luxembourg time.

1. PRELIMINARY NOTE

The purpose of the Meeting is to consider amendments to the articles of association of the Company (the "**Articles**"), incorporating regulatory-driven changes further to the entry into force of Directive (EU) 2024/927 (UCITS 6) amending Directive 2009/65/EC, as amended (the "**UCITS Directive**"). The board of directors of the Company (the "**Board**") also takes the opportunity to carry out a general tidy-up of the Articles, and a modernisation of the document to better align it with market practice, as further described below.

The amendments are deemed in the best interests of the Company and its shareholders and will not have any material impact on shareholder rights and obligations. The revised Articles have been approved by the *Commission de Surveillance du Secteur Financier* ("**CSSF**"), the competent authority supervising the Company in the Grand Duchy of Luxembourg.

Liquidity management tools

The Articles have been aligned with the requirements of the UCITS Directive, as transposed in Luxembourg through amendments to the Law of 17 December 2010 relating to undertakings for collective investment, as amended (the "**2010 Law**"), which entered into force on 16 April 2026.

Directive (EU) 2024/927 introduced a harmonised framework for liquidity risk management applicable to UCITS and their management companies, including requirements relating to the selection and availability of liquidity management tools ("**LMTs**"). The UCITS framework now requires UCITS to make available at least two appropriate liquidity management tools from those listed in Annex IIA of the UCITS Directive and Annex III of the 2010 Law. Accordingly, the Board has decided to amend the Articles to provide a sufficient legal basis to meet the applicable LMT requirements and CSSF expectations.

Corporate governance

Certain governance provisions have been updated to align the Articles more closely with current market practice and provide greater flexibility, including allowing directors to be appointed for renewable terms of up to six years, removing certain United Kingdom-linked restrictions, and strengthening and expanding the conflict of interest and indemnification regimes.

Sub-funds and share classes

The share capital provisions have been restructured to introduce a formal definition of "Fund", confirm the statutory segregation of liabilities between sub-funds with reference to article 181 of the 2010 Law, and formalise the hierarchy of "Fund", "Share Class" and "Series" within a "Class".

Shareholder communications

The proposed amendments aim to provide that shareholders may communicate their address and/or email address to the Company for the purpose of receiving notices and announcements, and to clarify that such notices and announcements may also be sent by any other means of communication individually accepted by the relevant shareholders. The ability to vote by means of ballot papers (formulaires) has also been removed from the Articles to align with recent fund administration practices.

Corporate flexibility

The proposed amendments would update the corporate restructuring provisions to align with current market practice under the 2010 Law by: (i) replacing the existing merger provisions with a revised regime allowing the Board to merge the Company or any of its sub-funds with one or more Luxembourg or foreign UCITS, subject to the conditions and procedures set out in the 2010 Law; (ii)

introducing express absorption powers enabling the Company or any of its sub-funds to absorb other undertakings for collective investment, irrespective of their legal form; and (iii) granting the Board powers to divide any sub-fund into two or more sub-funds, consolidate sub-funds or share classes, and reallocate assets and liabilities between share classes where appropriate.

2. AGENDA

1. To amend article 1 of the Articles with the inclusion of the phrase "under the name of" to clarify the Company's denomination. The previous formulation using "société" and "societe public limited company" to be updated to "société anonyme" with the corrected French accents, and the governing law clause to now expressly state that the Company is governed by Part I of the 2010 Law, the 1915 Law, and the present Articles. Article 1 shall read:

There exists among the subscribers and all those who may become holders of shares, a public limited company "société anonyme" qualifying as a "société d'investissement à capital variable" under the name of "BLACKROCK GLOBAL FUNDS" (the "Company"), which shall be governed by Part I of the Luxembourg law of 17 December 2010 relating to undertakings for collective investment as amended (the "2010 Law"), and the law of 10 August 1915 on commercial companies, as amended (the "1915 Law") to which the 2010 Law refers, as well as by the present articles of incorporation (the "Articles").

2. To amend and fully restate the Articles.

3. ORGANISATION OF THE MEETING

The shareholders are advised that these articles of association may be amended by a majority of at least two thirds (2/3) of the votes validly cast at the Meeting at which a quorum of more than half (1/2) of the Company's share capital is present or represented. If no quorum is reached at the Meeting, a second extraordinary general meeting will be held on 05 November 2026 at 11.30 am at the registered office of the Company, in accordance with the articles of association of the Company and Luxembourg law. No quorum shall be required for such reconvened meeting, and the proposed resolutions may be adopted by a majority of at least two thirds (2/3) of the votes validly cast.

Any proxy forms or ballot papers validly submitted for the EGM will also be used for the second extraordinary general meeting, unless the relevant shareholder notifies the Company that they do not wish their proxy or ballot paper to be carried forward.

4. DOCUMENTS AVAILABLE
