Notice to shareholders

Luxembourg, 28 March 2024,

Dear Shareholders,

We hereby inform you of the following changes that will be incorporated in the next version of the prospectus to be dated April 2024 (the “**Prospectus**”).

Unless otherwise provided in this document, the below changes will be effective on 29 April 2024 (the “Effective Date”).

“Aqua”

The investment objective and policy of the sub-fund will be amended to (i) provide additional information on the “*water and related or connected sectors*” targeted by the investment manager of the sub-fund and (ii) clarify that the sub-fund may be exposed to emerging markets up to 30% of the sub-fund assets. In addition, the maximum percentage of the sub-fund’s assets that can be invested in China-A Shares will be decreased from 25% to 20%.

As a result, the investment objective will be amended as follows:

*“Increase the value of its assets over the medium term by investing primarily in **global** companies tackling the water-related challenges and **which aim at helping to accelerate or accelerating** the transition to a more sustainable **world economy**.”*

The investment policy will be amended as follows:

*“This thematic sub-fund aims to invest in **global** companies within the global water value chain. These companies support the protection and efficient use of water as a natural resource.*

*At all times, this sub-fund invests at least 75% of its assets in equities and/or equity equivalent securities issued by **global** companies that conduct a significant part of their business in water and related or connected sectors, with sustainable activities and processes. **Such sectors include, but are not limited to: water infrastructures (network, buildings, and industry equipment, infrastructure services and irrigation), water treatment (filtration, traditional treatment, efficiency, testing and monitoring) and utilities.***

The remaining portion, namely a maximum of 25% of its assets, may be invested in any other transferable securities (including P-Notes), money market instruments and also, within a limit of 15% of the assets, in debt securities of any kind and, within a limit of 10% of the assets, in UCITS or UCIs.

*In respect of the above investments limits, the sub-fund’s investments into “China A-Shares” via the Stock Connect may reach up to ~~25~~ **20%** of its assets.*

The sub-fund may be exposed to emerging markets up to 30% of its assets, including exposure to China.

The sub-fund may hold ancillary liquid assets within the limits and conditions described in Book I, Appendix 1 – Eligible Assets, point 7.”

These clarifications do not have any material impact on your investment.

ASSET MANAGEMENT

The sustainable
investor for a
changing world

“Climate Impact”

The investment objective of the sub-fund will be clarified as follows:

*“Increase the value of its assets over the medium term by investing primarily in **global** companies involved in activities focused on delivering solutions for climate change **and which aim at helping to accelerate or accelerating** the transition to a more sustainable **world economy**.”*

In addition, the investment policy of the sub-fund will be amended, *inter alia*, to (i) clarify that the sub-fund may be exposed to emerging markets up to 30% of its assets and (ii) decrease the maximum percentage of the sub-fund’s assets that can be invested in China-A Shares from 25% to 20%. The investment policy will therefore read as follows:

*“This thematic sub-fund aims to invest in **global** companies that are delivering solutions to address climate change.*

*At all times, this sub-fund invests at least 75% of its assets in equities and/or equity equivalent securities, issued by **global** companies with business in activities focused on delivering solutions to address climate change. These activities include, but are not limited to:*

Solutions for lessening the effects of climate change – Alternative Energy, Energy Management & Efficiency, Transport Solutions, Sustainable Food & Agriculture, Resource Efficiency & Waste Management;

Solutions for tackling direct consequences of climate change – Energy Systems Resilience, Water Supply Resilience, Agriculture, Aquaculture & Forestry Resilience, and Other Infrastructure Resilience;

*Solutions for tackling other challenges arising out of climate change – Information & Communications (Business Continuity Solutions, and Weather Monitoring & Forecasting), Financial Services, Health Care **and other services**.*

The remaining portion, namely a maximum of 25% of its assets, may be invested in any other transferable securities (including P-Notes), money market instruments, and also, within a limit of 15% of the assets, in debt securities of any kind and, within a limit of 10% of the assets, in UCITS or UCIs.

*In respect of the above investments limits, the sub-fund’s investments into “China A-Shares” via the Stock Connect may reach up to ~~25~~ **20%** of its assets.*

The sub-fund may be exposed to emerging markets up to 30% of its assets, including exposure to China.

The sub-fund may hold ancillary liquid assets within the limits and conditions described in Book I, Appendix 1 – Eligible Assets, point 7.”

As a result, the following sentence will be added in the investment policy:

“The sub-fund may be exposed to emerging markets up to 35% of its assets, including exposure to China.”

In addition, the risk factor “Emerging Markets Risk” will be added in the risk profile of the sub-fund disclosed in the prospectus.

These clarifications do not have any material impact on your investment.

“Energy Transition”

The investment policy of the sub-fund will be amended to clarify that the sub-fund may be exposed to emerging markets up to 35% of its assets.

As a result, the following sentence will be added in the investment policy:

“The sub-fund may be exposed to emerging markets up to 35% of its assets, including exposure to China.”

In addition, the risk factor “Emerging Markets Risk” will be added in the risk profile of the sub-fund disclosed in the prospectus.

These clarifications do not have any material impact on your investment.

“Environmental Absolute Return Thematic Equity (EARTH)”

The investment policy of the sub-fund will be amended to clarify that the sub-fund may be exposed to emerging markets up to 35% of its assets.

As a result, the following sentence will be added in the investment policy:

“The sub-fund may be exposed to emerging markets up to 35% of its assets, including exposure to China.”

This clarification does not have any material impact on your investment.

“Euro Bond Opportunities”

The investment policy of the sub-fund will be amended to clarify that the sub-fund may be exposed to emerging markets up to 20% of its assets.

As a result, the following sentence will be added in the investment policy:

“The sub-fund may be exposed to emerging markets up to 20% of its assets, including exposure to China.”

This clarification does not have any material impact on your investment.

“Euro Corporate Bond Opportunities”

The investment policy of the sub-fund will be amended to clarify that the sub-fund may be exposed to emerging markets up to 5% of its assets.

As a result, the following sentence will be added in the investment policy:

“The sub-fund may be exposed to emerging markets up to 5% of its assets.”

In addition, the risk factor “Emerging Markets Risk” will be added in the risk profile of the sub-fund disclosed in the prospectus.

These clarifications do not have any material impact on your investment.

“Euro High Yield Bond”

The investment policy of the sub-fund will be amended to clarify that the sub-fund may be exposed to emerging markets up to 5% of its assets.

As a result, the following sentence will be added in the investment policy:

“The sub-fund may be exposed to emerging markets up to 5% of its assets.”

These clarifications do not have any material impact on your investment.

“Euro High Yield Short Duration Bond”

The investment policy of the sub-fund will be amended to clarify that the sub-fund may be exposed to emerging markets up to 7% of its assets.

As a result, the following sentence will be added in the investment policy:

“The sub-fund may be exposed to emerging markets up to 7% of its assets.”

In addition, the risk factor “Emerging Markets Risk” will be added in the risk profile of the sub-fund disclosed in the prospectus.

These clarifications do not have any material impact on your investment.

“Euro Medium Term Bond”

The investment objective and policy of the sub-fund will be amended to (i) allow the investment manager to access new investment opportunities aiming at generating additional income and (ii) provide additional information on the investment strategy followed by the investment manager.

As a result, the investment objective of the sub-fund will be slightly amended as follows:

*“Increase the value of its assets over the medium term by investing primarily in euro denominated medium term bonds **while generating regular income.**”*

The investment policy will be amended as follows:

*“The sub-fund invests at least 2/3 of its assets in **investment grade** bonds and securities treated as equivalent to bonds **and** denominated in euro that have an average maturity that does not exceed six years (the residual maturity of each investment does not exceed ten years). The next rate adjustment date for floating rate bonds is taken as the maturity date. **The sub-fund will run an average duration between 0 to 6 years.**”*

The investment process emphasizes a combination of a top-down and bottom-up approaches, including macro views and issuer selection. Such active management aims at outperforming the benchmark over the medium term. In periods of low volatility and yields across the asset classes composing the investment universe, the sub-fund’s return profile might deviate less from the return profile of the benchmark.

*The remaining portion, namely a maximum of 1/3 of its assets, may be invested in any other transferable securities, Investment Grade structured debt limited to 20% of the assets, money market instruments, **High Yield Bonds denominated in EUR** and also, within a limit of 10% of the assets, in UCITS or UCIs.*

Exposure to High Yield Bonds in EUR is limited to a maximum of 10% of the sub-fund’s assets. Minimum rating at purchase B3 (Moody’s) or B- (S&P / Fitch).

If these ratings criteria are not met, the Investment Manager shall adjust the portfolio’s composition in the best interests of the shareholders and in the timeliest manner.

The sub-fund may hold ancillary liquid assets within the limits and conditions described in Book I, Appendix 1 – Eligible Assets, point 7.”

The section “Derivatives and Securities financing Transactions” will also be amended to allow the investment manager to use credit default swaps for efficient management portfolio and hedging.

The risk factor “High Yield Bond Risk” will be added to the risk profile of the sub-fund disclosed in the prospectus.

The minimum percentage of sustainable investments will be increased from 25% to 30%.

Finally, the sub-fund will be renamed “Euro Medium Term Income Bond”.

These amendments will have no impact on the (i) risk profile of the sub-fund, (ii) the SRI, and (iii) on the fee structure of the share classes as disclosed in the prospectus.

Should you do not approve this change, you have the possibility to request the redemption of your shares free of charge until 28 April 2024.

"Europe Convertible"

The investment policy of the sub-fund will be amended to clarify that the sub-fund may be exposed to emerging markets up to 5% of its assets.

As a result, the following sentence will be added in the investment policy:

"The sub-fund may be exposed to emerging markets up to 5% of its assets."

In addition, the risk factor "Emerging Markets Risk" will be added in the risk profile of the sub-fund disclosed in the prospectus.

These clarifications do not have any material impact on your investment.

"Europe High Conviction Bond"

The investment objective and policy of the sub-fund will be reviewed to (i) evidence the fact that one of the objectives of the sub-fund is to generate regular income and (ii) remove flexibilities that the investment manager has no intention to use in light of its investment strategy.

The investment objective of the sub-fund will be slightly amended as follows:

*"Increase the value of its assets over the medium term by investing primarily in European debt securities on a discretionary basis whatever the market environment through an opportunistic strategy **while generating regular income.**"*

The investment policy of the sub-fund will be reviewed to (i) provide that investment in currencies other than EUR may not represent more than 15% (instead of 40%) of the assets and (ii) remove the sentence *"The emerging markets risk and non Hard Currency risk will be limited to 10%"*.

The minimum percentage of sustainable investments will be increase from 20% to 30%.

The sub-fund will be renamed "Euro High Conviction Income Bond".

These amendments will have no impact on the (i) risk profile of the sub-fund, (ii) the SRI, and (iii) on the fee structure of the share classes as disclosed in the prospectus.

Should you do not approve this change, you have the possibility to request the redemption of your shares free of charge until 28 April 2024.

"Europe Small Cap"

The investment policy of the sub-fund will be clarified as follows:

"This sub-fund invests at least 2/3 of its assets in equities and/or equity equivalent securities issued by companies having market capitalisation below the highest market capitalisation (observed at the beginning of each financial year) of the ~~HSBC Smaller European Companies~~, ~~EURO STOXX Small**~~, MSCI Europe SmallCap*** indices **index**, that have their registered offices or conduct the majority of their business activities in Europe.*

The remaining portion, namely a maximum of 1/3 of its assets, may be invested in any other transferable securities, money market instruments, and also, within a limit of 15% of the assets, in debt securities of any kind and, within a limit of 10% of the assets, in UCITS or UCIs.

* with "IHS Markit Benchmark Administration Limited" as Benchmark Index administrator. Since 1 January 2021, "IHS Markit Benchmark Administration Limited" is considered as a "third country" UK administrator vis-à-vis the European Union and no longer appears on the Benchmark Register. The non-EU benchmarks are permitted to be used in the EU until the Regulation 2016/1011's transition period which has been extended to 31 December 2025. During this time "MSCI Limited" can either be granted the UK "equivalence" by the European Union or "endorsement" or "recognition" as per Regulation 2016/1011.

** with "Stoxx Ltd" as Benchmark Index administrator, registered in the Benchmark Register;

*** with "MSCI Limited" as Benchmark Index administrator. Since 1 January 2021, "MSCI Limited" is considered as a "third country" UK administrator vis-à-vis the European Union and no longer appears on the Benchmark Register. The non-EU benchmarks are permitted to be used in the EU until the Regulation 2016/1011's transition period which has been extended to 31 December 2025. During this time "MSCI Limited" can either be granted the UK "equivalence" by the European Union or "endorsement" or "recognition" as per Regulation 2016/1011.

At all times, at least 75% of the assets are invested in equities issued by companies that have their registered office either in a country member of the EEA, or in the United Kingdom, other than non-cooperative countries in the fight against fraud and tax evasion.

The sub-fund may hold ancillary liquid assets within the limits and conditions described in Book I, Appendix 1 – Eligible Assets, point 7."

The removal of the index HSBC Smaller European Companies is justified by the fact that this index does not exist any longer. The removal of the index EURO STOXX Small is justified by the important turnover of the constituents of the index that is not compatible with the investment strategy implemented by the investment manager.

This clarification does not have any material impact on your investment.

“Global Bond Opportunities”

The investment policy of the sub-fund will be amended to clarify that the sub-fund may be exposed to emerging markets up to 50% of its assets.

As a result, the following sentence will be added in the investment policy:
