Change of valuation point

As part of the Manager’s preparation for the transition to the settlement of securities on a T+1 basis across Europe and the UK, the Manager has determined that the Valuation Point of the Funds will need to be moved from the current time of 11.00 p.m. (Irish time) to the new time of 9.00 p.m. (Irish time). This will allow the Funds to be valued in line with the close of the US market and to facilitate the earlier release of the Funds’ Net Asset Values (NAVs) and contract notes. As part of this update, the NAV release time will change to 2.00 a.m. (Irish time) on the Business Day immediately following the Valuation Point, and the release of contract notes following subscription and redemption requests will be by 4.00 a.m. (Irish time)¹ on the Business Day immediately following the Valuation Point. The below table summarises these changes which are expected to take effect on the Effective Date, subject to the approval of the Central Bank.

¹ If you place your subscription, redemption or conversion orders through a distributor, please check with your distributor for the new time for release of contract notes.

	Current Time	New Time
Valuation Point	11.00 p.m. (Irish time)	9.00 p.m. (Irish time)
NAV Release Time	3.00 p.m. (Irish time) on the Business Day immediately following the Valuation Point	2.00 a.m. (Irish time) on the Business Day immediately following the Valuation Point
Release of Contract Notes	By close of business (Irish time) following NAV Release Time	By 4.00 a.m. (Irish time) on the Business Day immediately following the Valuation Point

In order to effectively implement these changes and reduce operational risk, requests for subscription, redemption or conversion of Units into the Funds may be made up until 5:00 p.m. Hong Kong time on 30 September 2025, pursuant to clause 1.9 of the Trust Deed of the Trust. The Funds will reopen for dealing on 2 October 2025 in line with the new times set out above.

The Trustee has been consulted on and has no objection to the changes and arrangements set out herein.
