Important Changes to Fidelity Funds

Fidelity Funds – Asian Aggressive Fund

Fidelity Funds – Diversified Income Fund

Fidelity Funds – Global High Yield Bond Fund

Fidelity Funds – Global Inflation-linked Bond Fund (the “Sub-Funds”)

The Board of Directors of Fidelity Funds regularly reviews the range of funds offered with the aim of providing choice, diversity and value for its investors. As part of this ongoing process, the Board of Directors of Fidelity Funds has decided to change the investment objective of the above mentioned Sub-Funds to provide additional opportunities for investors.

The change of investment objectives of the Sub-Funds is designed to provide more clarity on the way the Sub-Funds are managed and to remove the extensive use of financial derivatives instruments allowed under the Luxembourg regulations which the Sub-Funds have neither used nor intend to use in the near future. The amendments made to the investment objectives will not change the way in which the Sub-Funds are managed.

The Directors believe that the changes to the investment objectives are in the best interests of shareholders. Full details of the current and new wording of the investment objectives for these Sub-Funds are shown in the Appendix.

Any expenses incurred as a result of these changes will be borne by the Investment Manager of Fidelity Funds. There are no changes to the fees charged in relation to the Sub-Funds.

Next Steps

The changes will become effective on 23 April 2013 and if you agree with the proposed changes, you do not need to take any action. The Hong Kong Prospectus and the Product Key Facts will be updated to include the above changes accordingly.

If you are not in agreement with these changes and do not want to continue to invest in any of the Sub-Funds once the investment objectives have been changed, you may switch into another fund offered by Fidelity or sell your holdings free of charge. Redemptions or switches can be instructed on any valuation date until 12.00 noon UK time (1.00 pm CET / 4.00 pm HK time) on 22 April 2013, and will normally be dealt with at the next calculated net asset value.

Please note, the redemption or switching of your holding may be deemed as a disposal for tax purposes. If you have any concerns about your tax position, we recommend that you seek independent tax advice.

The Board accepts full responsibility for the accuracy of the information contained in this letter and confirms that, having made all reasonable enquiries, to the best of its knowledge and belief there are no other facts the omission of which would make any statement in this letter misleading.

If you have any questions related to these changes, please contact the Fidelity Personal Investments Hotline at (852) 2629 2629.

Yours sincerely
