**HENDERSON HORIZON FUND (the “Company”)
SOCIETE D'INVESTISSEMENT A CAPITAL VARIABLE (SICAV)

**Changes to the Company as a result of changes
to the Undertakings for Collective Investment in Transferable Securities Directive (the
“UCITS Directive”)**

Dear Shareholder,

We are writing to you as a Shareholder in one or more of the sub-funds (the “Sub-Funds”) of the Company to inform you of certain changes with effect from **18 March 2016** (the “Effective Date”).

Background

The European Commission has proposed a number of amendments to the UCITS Directive, referred to collectively as the “UCITS V Directive”. The general objective of these amendments is to increase protection and transparency for investors by focusing on the role and the liability of depositaries, remuneration policies for Investment Managers and a harmonisation of the administrative sanctions that must be available to all EU regulators for breaches of the UCITS Directive.

These amendments need to be in place by the Effective Date when they become law.

How will the UCITS V Directive impact the Company?

Under the UCITS V Directive the Company must appoint a single authorised UCITS depositary. The appointed depositary will be responsible for oversight of the management of the Company, safekeeping of the Company's assets, and monitoring of cash movements to and from the Sub-Funds.

The overriding objective of the depositary is to protect the interests of the shareholders of the Company.

After careful consideration, BNP Paribas Securities Services, Luxembourg Branch (“BNP”), the current Custodian of the Company, will be appointed depositary of the Company (the “Depositary”) with effect from 18 March 2016.

Whilst the appointment of BNP as Depositary could be considered an extension of the custody arrangement under the existing Custodian Agreement with the Company, the UCITS V Directive has significantly increased the role and responsibilities of the Depositary and formalised its contractual obligations. As a result a new depositary agreement will replace the existing Custodian Agreement that the Company has with BNP.

Impact upon fees

Depositary Fee

In light of the increased responsibilities and liability that BNP will assume after the Effective Date, a depositary fee will be payable to BNP from the Effective Date.

The Sub-Funds will pay to BNP as the Depositary a fee for fiduciary services, which is set at a rate of 0.006% per annum on the total net assets of the relevant Sub-Fund (subject to a minimum fee of GBP1,200 per Sub-Fund). The actual fees paid will be disclosed in the semi-annual and annual reports of the Company.

Custody Fee

The Sub-Funds will continue to pay to BNP as the Depositary custody fees comprising of asset-based fees and transaction-based fees (the rates of which vary depending on the markets in which the relevant Sub-Funds invest).

In order to address the potential impact on custody fees attributable to a reallocation of a Sub-fund's assets into a more expensive custody market in the future, a new maximum rate of custody fees will be imposed. With effect from the Effective Date, the maximum rate of the custody fees will not exceed 0.65% per annum of the total net assets of the relevant Sub-Fund (inclusive of the asset-based fees and the transaction-based fees) having regard to the markets in which such Sub-Fund invests. The custody fees are paid monthly in arrears. The rates for the custody fees will vary according to the country of investment and, in some cases, according to asset class, thus the custody fees payable by each Sub-Fund will depend on its asset allocation at any time. The actual fees paid will be disclosed in the semi-annual and annual reports of the Company.

As there will be no change to the investment policy and strategy of the Sub-Funds, it is expected that, based on the current market exposure of the relevant Sub-Funds, the custody costs will not materially increase notwithstanding the imposition of the new maximum rate. Currently, the custody costs vary between 0.02% and 0.10% of the total net assets depending on the market in which a particular Sub-Fund invests.
