Proposed Termination of the Adequity Trust: Lyxor Dynamic Alternative Energy Fund (the “Fund”)

Unless otherwise defined in this notice, terms and expressions used in this notice shall have the same meanings ascribed to them under the Explanatory Memorandum and Fund Specific Memorandum of the Fund dated November 2009 (the “**Offering Documents**”).

We, Lyxor Asset Management, as the manager of the Fund wishes to notify you that we have decided to terminate the Fund on and with effect from the 20 July 2016 (the “**Termination Date**”).

Reasons for termination

As at 17 May 2016, the Net Asset Value of the Fund was US\$2,532,029.05 which is below the level which the Manager considers as sufficient to manage the Fund in a cost-efficient manner under current market conditions. Pursuant to Clause 27.3(b) of the Trust Deed (as amended) and the Notice of Establishment dated 11 May 2007, and in accordance with the Offering Documents, the Manager has decided to terminate the Fund on the Termination Date.

In accordance with the Trust Deed, no Extraordinary Resolution of Unitholders in the Fund is required to be passed to authorize the termination of the Fund. The notice period is in compliance with the requirements of the Trust Deed and shall not be less than one month after the service of this notice.

Arrangements pending and upon termination

The Fund’s total expense ratio for the period between 1 February 2015 and 31 January 2016 (both dates inclusive) is 2.25% of the Net Asset Value of the Fund, which represents the total operating expenses of the Fund over the average Net Asset Value of the Fund during the relevant period. The legal and printing costs and expenses of the termination, estimated to be in the region of US\$3,000 to US\$5,000, will be borne and paid by the Manager, and the Fund has no unamortized preliminary expenses.

From 25 June 2011, the Fund has not been marketed to the public in Hong Kong and has not accepted subscription for Units from new Hong Kong investors regardless of the distribution or subscription channels used.

We will continue to process any application for realisation, or for using the realization proceeds to subscribe for units of other funds of the Manager which are authorized by the Securities and Futures Commission of Hong Kong (“**Transfer**”), free of charge, received by us before the Dealing Deadline, being 4:00 p.m. (Hong Kong time) on Friday of each week or if any such day is not a Hong Kong Business Day the following Hong Kong Business Day, prior to the Termination Date. The last Dealing Deadline will be 4:00 p.m. (Hong Kong time) on 15 July 2016 (the “**Last Dealing Deadline**”). To ensure that your request(s) will be processed, you must submit your request(s) to us (via your distributor(s)) by no later than the Last Dealing Deadline. Unitholders should note that your distributor may impose an internal dealing cut-off time which may be earlier than the Fund’s Dealing Deadline. Please note the following:

1) Early redemption at the prevailing Realisation Price on or before the Last Dealing Deadline

Unitholders who choose to realize their Units on or before the Last Dealing Deadline (i.e. 15 July 2016 4:00 p.m. (Hong Kong time)) will have their Units realized at the then prevailing Realisation Price per Unit on the relevant Valuation Day (calculated by reference to the applicable Net Asset Value per Unit), free of charge. However it should be noted that all redemption requests received after 4:00 p.m. (Hong Kong time) on 8 July 2016 will be realized at the same value as Unitholders who hold the Units until the Termination Date.

Unitholders of the Fund will have the option to use the realisation proceeds to subscribe for units of other funds of the Manager which are authorized by the Securities and Futures Commission of Hong Kong, free of charge, subject to the provisions of the relevant offering documents, and such subscription will be subject to all applicable minimum initial investment amount and minimum holding requirements being complied with.

2) Units not realized on or before the Last Dealing Deadline

Unitholders who remain in the Fund after the Termination Date will receive their pro-rata entitlement to the proceeds of the Fund after the completion of the termination of the Fund.

Tax implication to Hong Kong investors

The Fund is not expected to be subject to Hong Kong tax in respect of any of its authorised activities. No tax will be payable by Unitholders in Hong Kong in respect of any capital gains arising on a sale, realization or other disposal of Units, except that Hong Kong profits tax may arise where such transactions form part of a trade, profession or business carried on in Hong Kong. However, investors are recommended to consult their professional advisers on the consequences to them arising from the termination of the Fund.
