This letter is important and requires your immediate attention.

If you are in doubt about the contents of this letter, you should seek independent professional advice.

Hong Kong, 20 August 2018

Dear Investor,

Franklin Templeton Investment Funds ("FTIF" or "Company")
Proposed merger of FTIF – Templeton European Fund with FTIF – Templeton Euroland Fund

The purpose of this letter is to inform you about the upcoming merger of FTIF - Templeton European Fund (the "**Merging Fund**") with FTIF - Templeton Euroland Fund (the "**Receiving Fund**").

This letter is intended for investors who hold shares of the Merging Fund via an account with (i) Franklin Templeton Investments (Asia) Limited (the "**Hong Kong Representative**") or (ii) a duly authorized intermediary for the Hong Kong market.

### 1. Rationale and background for the merger

The Merging Fund was launched on 17 April 1991 and has a size of approximately EUR 170.85 million as at 31 July 2018. The Receiving Fund was launched on 8 January 1999 and has a size of approximately EUR 699.95 million as at 31 July 2018.

Because the Merging Fund and the Receiving Fund share similar investment objectives (*i.e.*, capital appreciation), investment universe (*i.e.*, equity and debt obligations), investment management teams (*i.e.*, both funds have the same management company and investment manager), investment process (*i.e.*, both funds share the same investment process), risk management process (*i.e.*, both funds share the same risk management process), fees and expenses (*i.e.*, the Merging Fund and the Receiving Fund have the same management fee and maintenance fee structure for Class A shares), risk profiles (*i.e.*, the Merging Fund and the Receiving Fund share many key risks) and target investor profiles, the board of directors of the Company (the "Board") believes that it will be in the best interests¹ of shareholders to merge these sub-funds and focus resources on a single portfolio, which will offer economies of scale to existing shareholders of these sub-funds.

There are certain differences between the Merging Fund and the Receiving Fund, which you should consider carefully. The Merging Fund operates in a slightly wider universe focusing its investments in companies doing significant business in European countries. The Receiving Fund's investment

<sup>&</sup>lt;sup>1</sup> Please note that the Board did not examine the suitability of the merger in respect of shareholders' individual needs or risk tolerance. Shareholders are advised to seek independent financial / tax advice in respect of their individual circumstances.

policy is slightly more restricted with a focus on companies located in a member country of the European Monetary Union. Furthermore, certain key risks (*i.e.*, derivative instruments and structured notes risk) apply only to the Receiving Fund and not to the Merging Fund, as reflected in bold in the appendix to this letter. Please refer to the appendix for details.

A comparison of the expenses attributable to the share classes of the Merging Fund and the Receiving Fund is provided in the table below:

Share class of the Merging Fund	Ongoing charges figure* as of 31 July 2018	Corresponding share class of the Receiving Fund	Ongoing charges figure* as of 31 July 2018
Templeton European Fund A (acc) EUR	1.84%	Templeton Euroland Fund A (acc) EUR	1.83%
Templeton European Fund A (Ydis) USD	1.84%	Templeton Euroland Fund A (Ydis) USD**	1.83%
Templeton European Fund A (acc) USD	1.84%	Templeton Euroland Fund A (acc) USD**	1.83%

<sup>\*</sup> The ongoing charges figures stated above are based on the fund's actual expenses, and represent the total expenses charged to the fund expressed as a percentage of the fund's average net asset value for the 12 months ended 31 July 2018.

The Board has therefore decided, in accordance with article 66(4) of the Luxembourg Law of 17 December 2010 on undertakings for collective investment, as amended (the "2010 Law") and article 28 of the articles of incorporation of the Company (the "Articles"), to merge the Merging Fund with the Receiving Fund.

## 2. Impact on shareholders and shareholders' rights

Shareholders of the Merging Fund who choose to participate in the merger will continue to hold shares in a Luxembourg regulated investment company and benefit from the same rights and from the general safeguards applicable to an Undertakings for Collective Investment in Transferable Securities ("UCITS"). If shareholders of the Merging Fund become shareholders of the Receiving Fund, they may participate and exercise their voting rights in shareholder meetings, instruct redemption and switching of their shares on any dealing day and may, depending on their share class, be eligible for distributions in accordance with the Articles and the Current Explanatory Memorandum (as defined below) as from the day following the Effective Date (as defined below). The merger is not expected to have any material adverse impact on the shareholders of the Receiving Fund and there are no changes in investment objectives, fee structure and other changes of the Receiving Fund.

Please note that there is a risk that significant redemption in the Merging Fund may occur prior to the merger, which may reduce the assets received by the Receiving Fund through the merger. In order to protect the interests of remaining shareholders, a swing pricing mechanism may be adopted by the Merging Fund as part of its valuation policy. If on any valuation day, the aggregate net redemptions in shares of the Merging Fund exceed a pre-determined threshold, as determined by the Board of Directors, the net asset value per share of the Merging Fund may be adjusted downwards to reflect the costs attributable to net outflows. Please refer to the Explanatory Memorandum dated April 2018, as amended, of the Company (the "Current Explanatory Memorandum") for the details in respect of swing pricing.

There is also a risk that the larger asset base of the Receiving Fund may not result in lower ongoing charges figures. Furthermore, shareholders of the Merging Fund who choose to participate in the merger may experience a dilution in performance until such time that the portfolio assets and cash that is transferred by the Merging Fund to the Receiving Fund is fully reinvested and aligned with the portfolio of the Receiving Fund.

<sup>\*\*</sup> As the share class is newly launched and has no historical data available, the ongoing charges have been estimated based on a representative model portfolio.

Shareholders of the Merging Fund who do not wish to participate in the merger may redeem or switch their shares of the Merging Fund, free from any charge by the Company, into shares of other subfunds of FTIF that are authorized<sup>2</sup> by the SFC, details of which are disclosed in the Current Explanatory Memorandum, no later than 15 November 2018 at 4.00 p.m. (Hong Kong time).

Before investing in another SFC-authorized<sup>2</sup> sub-fund of FTIF, please ensure that you have read and understood the investment objective, policies and fees applicable to the relevant sub-fund as described in the Current Explanatory Memorandum.

Please note that although the Company will not charge shareholders of the Merging Fund any redemption or switching fee for redemption and switching requests that reach the **Hong Kong Representative**, in some cases the relevant bank, investment adviser or other intermediary may charge switching and/or transaction fees. They may also have a local dealing cut-off time which is earlier than the dealing deadline described above. Shareholders of the Merging Fund are recommended to check with their bank, investment adviser or other intermediary (if applicable) to ensure that their instructions reach the Hong Kong Representative before the dealing deadline above.

## 3. Merger Procedure

The merger is expected to become effective as of 23 November 2018 at midnight (Luxembourg time) (the "**Effective Date**"). To facilitate the merger, the following dealing restrictions shall be applied to the Merging Fund:

- the Merging Fund is no longer allowed to be marketed to the public in Hong Kong and shall not accept subscriptions from investors who are not existing shareholders of the Merging Fund with effect from the date of this letter;
- existing shareholders of the Merging Fund will not be permitted to purchase additional shares of the Merging Fund during the period beginning on 16 November 2018 and ending on the Effective Date; and
- existing shareholders of the Merging Fund will not be permitted to redeem or switch their holdings of shares in the Merging Fund during the period beginning on 16 November 2018 and ending on the Effective Date.

On the Effective Date, the Merging Fund will transfer all its assets and liabilities to the Receiving Fund. The net assets of the Merging Fund will be valued as of the Effective Date in accordance with the valuation principles contained in the Current Explanatory Memorandum and the Articles of the Company. The outstanding liabilities generally comprise fees and expenses due but not paid, as reflected in the net assets of the Company. There are no outstanding unamortized preliminary expenses in relation to the Merging Fund.

It is not expected that the Merging Fund's portfolio be rebalanced in the context of the merger. In addition, and in the best interests of shareholders, it is anticipated that between 60% - 80% of the Merging Fund's assets under management will be transferred in kind to the Receiving Fund. The remaining 20% - 40% of the Merging Fund's assets, comprised primarily of equity securities issued by companies located outside the European Monetary Union and considered by the Investment Manager to be unsuitable for the Receiving Fund in light of the latter's investment universe, will be sold down to cash and transferred to the Receiving Fund. Depending on the growth of the Merging Fund's portfolio and changes to the underlying investments within the Merging Fund's portfolio, the

\_

<sup>&</sup>lt;sup>2</sup> SFC authorization is not a recommendation or endorsement of a scheme nor does it guarantee the commercial merits of a scheme or its performance. It does not mean the scheme is suitable for all investors nor is it an endorsement of its suitability for any particular investor or class of investors.

above percentage splits may vary (by up to 10%) depending on the performance of the Merging Fund's portfolio in the lead up to the Effective Date. To the extent that the disposal of the assets of the Merging Fund is undertaken, this will commence 16 November 2018 of the merger at the earliest. Any derivative positions that cannot be transferred over will be closed out in advance of the merger.

Any accrued income in the Merging Fund at the time of the merger will be included in the calculation of its net asset value per share and such accrued income will be accounted for an ongoing basis after the merger in the net asset value per share calculation in the relevant share class of the Receiving Fund.

On the Effective Date, shareholders of the Merging Fund who have not instructed redemption or switching of their shares will become shareholders of the Receiving Fund and will receive shares of the corresponding share class in the Receiving Fund (which will be issued without charge, without par value and in registered form) ("New Shares"), as detailed in the table below:

Share class of the Merging Fund	ISIN	Corresponding share class of the Receiving Fund	ISIN
Templeton European Fund A (Acc) EUR	LU0139292543	Templeton Euroland Fund A (Acc) EUR	LU0093666013
Templeton European Fund A (Ydis) USD	LU0029868097	Templeton Euroland Fund A (Ydis) USD^	-
Templeton European Fund A (Acc) USD	LU0128523122	Templeton Euroland Fund A (Acc) USD^	=

<sup>^</sup> This share class will be launched ahead of the merger.

The aggregate value of the New Shares of the Receiving Fund to be issued to a shareholder of the Merging Fund on the Effective Date will be equal to the aggregate value of the shares of the Merging Fund held by such shareholder on the Effective Date. The number of New Shares to be allocated to shareholders of the Merging Fund will be based on the respective net asset value per share of both sub-funds as at the Effective Date and will be determined by multiplying the number of shares held in the relevant class of the Merging Fund by the exchange ratio. The exchange ratio for each class will be calculated by dividing the net asset value per share of such class in the Merging Fund calculated on the Effective Date by the net asset value per share in the corresponding share class in the Receiving Fund calculated at the same time on the Effective Date.

Shareholders of the Merging Fund may refer to their next monthly statement after the Effective Date for the number of shares of the Receiving Fund that have been allocated to them as a result of the merger. Shareholders of the Merging Fund should note that the number of New Shares which they will receive as a result of the merger may be different from the number of shares that are held by them in the Merging Fund as a result of differences in net asset value per share between the relevant share class in the Merging Fund and the corresponding share class of the Receiving Fund.

Following the merger, the Merging Fund will be dissolved without going into liquidation and will cease to exist on the Effective Date. The first dealing date for your shares in the Receiving Fund will be 26 November 2018, the related dealing cut-off for this dealing day being 4.00 p.m. (Hong Kong time) on the same date.

#### 4. Costs of the Merger

The expenses incurred in the merger, including legal, accounting, custody and other administrative costs are estimated to be approximately EUR 40,000 or 0.023% of the Merging Fund's net asset value as at 31 July 2018 and will be borne by Franklin Templeton International Services S.à r.l., the management company of FTIF.

Shareholders of the Merging Fund who elect to remain in the fund and participate in the merger should note that the Merging Fund will bear the market-related transaction costs (which are

anticipated to be approximately EUR 78,000 or 0.05%<sup>3</sup> of the Merging Fund's net asset value) associated with the disposal of any investments that would not be appropriate for the investment policy of the Receiving Fund. Given the relatively small size of the Merging Fund, it is difficult for the Merging Fund to be managed economically and in the best interests of investors, which brings the continuing viability of the Merging Fund into question. A merger with the Receiving Fund is considered to be in the best interests of shareholders of the Merging Fund as it will result in substantial cost savings as compared with a termination of the Merging Fund, which will involve the liquidation of the entire portfolio of the Merging Fund. Furthermore, the legal, accounting, custody and other administrative costs incurred in the merger will be borne by the management company of FTIF, whereas such costs will have to be borne by shareholders of the Merging Fund in the case of a termination.

Shareholders of the Merging Fund who do not wish to participate in the merger may redeem or switch their shares of the Merging Fund by 15 November 2018. Shareholders of the Merging Fund who submit a valid request to redeem or switch their shares of the Merging Fund no later than 4.00 p.m. (Hong Kong time) on 15 November 2018 will not have to bear the market-related transaction costs associated with the disposal of any investments that would not be appropriate for the investment policy of the Receiving Fund.

### 5. Tax impact

The merger will not subject the Merging Fund, the Receiving Fund or FTIF to taxation in Luxembourg. Investors may however be subject to taxation in their tax domiciles or other jurisdictions where they pay taxes.

Shareholders are not liable for Hong Kong tax in respect of any income or gains made on the redemption or switching of shares in the Merging Fund in Hong Kong, unless the redemption or switching of shares is or forms part of a trade, profession or business carried on in Hong Kong, in which case the gains forming part of such business may be subject to Hong Kong profits tax.

As is always the case, any switch or redemption of your shares may affect your tax position. You should consult your professional advisers as to the possible tax or other consequences of buying, holding, transferring or selling any shares affected by the changes described above, under the laws of your country of citizenship, residence and domicile.

#### 6. Availability of Documents

The common merger proposal, the Current Explanatory Memorandum, the product key facts statement of the Receiving Fund and the Merging Fund, the Articles, the unaudited accounts of FTIF for the period ending on 31 December 2017 and the 2010 Law are available from the Hong Kong Representative of FTIF, upon request, free of charge. Shareholders of the Merging Fund are invited to carefully read the offering documents of the Receiving Fund, which is available at the website www.franklintempleton.com.hk\*.

Upon request, copies of the report of the approved statutory auditor of FTIF relating to the merger may be obtained free of charge from the Hong Kong Representative of FTIF.

<sup>3</sup> The figure stated above is an estimate based on market circumstances and the size of the Merging Fund as at 31 July 2018. The actual costs may vary depending on market liquidity, fund size, and other factors at the time of liquidation.

<sup>\*</sup> The information in the website has not been reviewed by the Securities and Futures Commission.
