2. Market Data

The Customer understands and agrees that:

- 2.1 the market data and information made available to the Customer are provided to the Bank by each participating Exchange, association(s) or agent(s) (which disseminate such data and information) with assertion of a proprietary interest in such data and information;
- 2.2 neither the Bank nor any disseminating party guarantees the timeliness, sequence, accuracy or completeness of market data or any other information made available or shall be liable in any way for any Losses arising from or caused by any inaccuracy, error or delay in or omission from any such information or data or message, or the transmission or delivery of the same or for any non-performance or interruption of any such information, message or data, or for any other consequence beyond the reasonable control of any such party; and
- 2.3 the Customer shall use all such data, information and real-time quotes for the Customer's personal use and reference only, and these must not be reproduced, duplicated, re-sold, licensed, sub-listed or transmitted or framed on a third party web site or otherwise used for commercial purposes, and the Customer shall not furnish the same to any other person or entity for any of these purposes.

3. Short selling

The Customer accepts and acknowledges that short-selling is prohibited and without detracting from the above prohibition, the Customer agrees to immediately notify the Bank when a sale order relates to Securities which the Customer does not own (i.e. involving short selling),

otherwise the Bank is entitled to assume for all purposes that the relevant sale is not a short sale. The Bank may at its absolute discretion refuse to act on an Instruction to short sell Securities. The Customer acknowledges and agrees that the Bank has the right to request delivery of such confirmation or documentary evidence as it may deem necessary in relation to any short selling order (including a confirmation that the Customer has a presently exercisable and unconditional right to vest the Securities in the purchaser or have made proper arrangements to cover the trade settlement). If the Bank inadvertently accepts or executes any Instruction without the relevant Securities being available to the Customer, the Bank may at its absolute discretion cancel the Transaction or (at the Customer's cost) obtain the Securities from the market or otherwise for delivery. The Customer shall indemnify the Bank on demand from any loss, liability, claim, damages, costs and expenses that the Bank may suffer or incur as a result of the Customer's short selling Instruction.

4. New issue application

4.1 Whenever the Customer asks the Bank to apply for new issues of Securities, the Customer undertakes, represents and warrants to and agrees with the Bank that:

- (a) the Customer's application through the Bank will be the only application made by the Customer;
- (b) all statements made by the Customer in the Application Form are true, accurate and complete;
- (c) the Customer satisfies all eligibility criteria set out in the Offering Document, Application Form and the relevant documentation in respect of such new listing;
- (d) the Customer has read and understood the terms and conditions set out in the Offering Document, Application Form and other relevant documentation in respect of such new listing and will comply with their terms;
- (e) the Customer is not a shareholder of or in any other way connected to the issuer or any of its affiliates;
- (f) the Customer is fully entitled to make such application and hold the Securities applied for and no breach of any Law, regulation or other requirement in any jurisdiction will arise or result from the making or approval of any such application; and
- (g) the Bank is irrevocably authorised to sign and deliver an application and all other necessary documents on the Customer's behalf.

4.2 The Customer understands that the foregoing representation and warranty will be relied upon by the Bank in making the application, and by the issuer in deciding whether to make allotment to such application.

5. Delivery of Securities

If the Bank is at any time under an obligation to deliver Securities to the Customer, the Bank shall be entitled to arrange for such delivery obligation to be fulfilled in any manner that it deems fit. The Bank may itself deliver or procure a third party to deliver the relevant Securities to the Customer. Where such Securities are delivered to the Customer, the Customer shall have no claim against the Bank with respect to the delivery of such Securities.

D1. Structured Investment Product

This Section D1 is applicable to SIP.

1. Introduction

- 1.1 SIP is a structured investment product involving derivatives and is intended to provide a potentially higher return than a normal time deposit. SIP may be linked to the performance of a currency, interest rate, equity security or other underlying asset, rate or index.
- 1.2 SIP is subject to the terms and conditions and risks as set out in the Offering Documents. SIP is NOT a protected deposit and is NOT protected by the Deposit Protection Scheme or any other deposit protection scheme in any other jurisdiction.
- 1.3 The product terms and conditions, subscription and redemption process and details relating to payments applicable to a SIP are set out in the relevant Offering Documents and shall be deemed to be incorporated herein with effect from the date on which they are signed or acknowledgement of receipt received by the Bank or the date of the first transaction to which they relate (whichever is earlier), and in the event of any conflict between their terms and these Investment Terms and Conditions, the former shall prevail.

2. Confirmation

The Bank will, as soon as practicable after the terms of the SIP have been agreed and the Principal Amount deposited, issue and send a Confirmation.

3. Early withdrawal/termination

- 3.1 The Customer may not terminate the SIP or withdraw all or any part of the Principal Amount prior to the Maturity Date unless agreed otherwise by the Bank.
- 3.2 In the event the Bank at its sole and absolute discretion agrees to the termination or withdrawal prior to the Maturity Date, the Customer will bear the Losses incurred by the Bank including the Hedging Costs as a result of or arising from such termination or withdrawal.
- 3.3 The Bank shall be entitled to set-off all such Losses incurred from the Final Redemption Amount or the Investment Account or any other account of the Customer and pay to the Customer the remaining balance thereof. The Customer understands that the Losses incurred by the Bank in relation to such early termination or withdrawal may substantially reduce, or result in a total loss of the Principal Amount and the earnings thereon, and the Customer may bear further costs and expenses in addition to such a loss of the Principal Amount and the earnings thereon.

4. Interest

- 4.1 Interest shall accrue on the Principal Amount at the Interest Rate during the Interest Period and shall be calculated as set out in the Term Sheet.
- 4.2 The Interest Amount (if any) shall be payable in arrears on the Interest Payment Date, or, if such day is not a Business Day, the Business Day immediately following such Interest Payment Date to such account as notified by the Customer to the Bank or, if the Bank has not been notified of such account, to the Settlement Account. If such account notified by the Customer or if the Settlement Account has ceased to be operative, the Interest Amount will be paid to any account for the Customer as the Bank shall in its absolute discretion determine. The Customer shall not be entitled to any further interest or other payment and the Bank shall not be responsible for the losses suffered by the Customer in respect of such delay.

5. Certain specific SIPs

An SIP linked to an underlying asset that is an equity security will also be subject to the provisions set out in Section C of these Investment Terms and Conditions (unless otherwise specified in the Offering Documents or notified by the Bank).

D2. Currency Linked Investment

This Section D2 is applicable to CLI.

1. Introduction

- 1.1 CLI is a structured investment product involving a currency option and is intended to produce a yield higher than a conventional time deposit. Part of or the entire yield on a CLI represents the premium on the underlying currency option. The Customer may choose an Investment Currency and a Linked Currency and agree the Conversion Rate and Tenor with the Bank.
- 1.2 If, during the Investment Period, the Linked Currency appreciates or remains constant against the Investment Currency (measured by comparing the Fixing Rate at the Fixing Time on Fixing Date and the Conversion Rate), the Customer will receive, for value on the Maturity Date, the Final Redemption Amount in the Investment Currency.
- 1.3 If, during the Investment Period, the Linked Currency depreciates against the Investment Currency (measured by comparing the Fixing Rate at the Fixing Time on Fixing Date and the Conversion Rate), the Customer will receive the Final Redemption Amount in the Linked Currency, converted at the Conversion Rate.
- 1.4 CLI is subject to the terms and conditions and risks as set out in the Offering Documents. CLI is NOT a protected deposit and is NOT protected by the Deposit Protection Scheme or any other deposit protection scheme in any other jurisdiction.

2. Early withdrawal/termination

CLI, or any part thereof, cannot in any circumstances be withdrawn or terminated by the Customer prior to the Maturity Date.

3. Confirmation

- 3.1 Confirmation will be sent for Orders executed.
- 3.2 The Conversion Rate will be determined by reference to the actual spot price at execution of the Order.

4. Proceeds on Maturity Date

The Final Redemption Amount shall be calculated in the manner set out in the Order Form and/or Confirmation.

5. Market disruption

If any event occurs including, where there is a No. 8 typhoon signal or a black rainstorm, making it impossible for the Bank to obtain a Fixing Rate at the Fixing Time on Fixing Date, the Bank will, acting in good faith and in a commercially reasonable manner, determine the Fixing Rate and all determinations of the Bank will, in the absence of manifest error, be binding and conclusive on the Customer.

6. Indemnity and set-off upon early withdrawals/termination

- 6.1 In the event of an early withdrawal or termination of a CLI pursuant to Clauses A14, A15 and/or A17, the Customer will bear all Losses incurred by the Bank including the Hedging Costs as a result of or arising from such early withdrawal or termination.
- 6.2 The Bank shall be entitled to set-off all Losses incurred from the Final Redemption Amount and pay to the Customer the remaining balance thereof. The Customer understands that the Losses incurred by the Bank in relation to such early withdrawal or termination may substantially reduce, or result in a total loss of the Principal Amount and the earnings thereon, and the Customer may bear further costs and expenses in addition to a loss of the Principal Amount and the earnings thereon.
