Additional Payment Requirements for BDT (Page 2/2)

Please note the following payment guidance when making payments in BDT

Payment Guidance

- The beneficiary will be required to evidence the right to receive the funds before they can be settled.
- If the local beneficiary is a non-profit organization, approval by the local NGO bureau is required in order to receive funds. Prior regulatory approvals are also required for Donations and BIDA permission needs to be granted for Office Expenses. Declaration is not required for inward remittances sent by Bangladeshi nationals working abroad.
- We are unable to deliver BDT to convertible or non-convertible multiple currency BDT accounts.
- Local market is closed every Friday
- Payments related to certain types of income (such as export services, any revenue from IT/software solution etc.) would involve a 10% Income tax deduction that our local correspondents will settle on behalf of the beneficiary with the tax authority. For any tax advice, the remitter/beneficiary must check with the local tax authorities before initiating a payment.
- On value date, the local correspondent bank will inform the beneficiary bank of the payment. The beneficiary is then required to complete an Inward Remittance Form (Form C) indicating the purpose of the payment if the amount is more than USD20,000 equivalent. After the correspondent bank receives the completed form (originals required), it will release the funds to the beneficiary bank to be credited to the beneficiary.
- While Form C is waived for payment below USD20,000 the onshore correspondent bank or beneficiary bank may request supporting documents (which can still sometimes include Form C) from the beneficiary to evidence the identity of the beneficiary and to confirm the purpose of the payment.

Payment Process for Form C

1. On the value date, our paying bank will send a "Letter of Intimation" to the beneficiary bank.
2. Once the beneficiary bank receives the above letter, they will contact the beneficiary to complete the required Form C. If the beneficiary bank does not do this, the beneficiary may wish to contact the beneficiary bank directly to enquire about the incoming funds. NB: If a beneficiary has been informed by the ordering institution that the funds are enroute, the beneficiary can go ahead to their bank and request the Form C; this could ultimately speed up the settlement process as the beneficiary does not necessarily need to wait for the value date before completing the Form C.
3. Once the Form C has been completed, the beneficiary bank will send it to our agent's correspondent bank. It is only when our agent's correspondent bank receives the returned and completed Form C that the BDT will be sent to the beneficiary bank to be credited to the beneficiary account.

Additional Payment Requirements for BGN

Please note the following payment guidance when making payments in BGN

Payment Guidance

- For tax payments, the following may be required. Please indicate these information under Details to payee field:
 - BULSTAT UIC: Identification code of entity

- There is a one-time pre-trade setup (cadastro) for each new beneficiary to comply with Brazil's Exchange Control Regulations. This one-time pre-trade setup is as follows (refer to next section for more information)
- After the pre-trade setup has been completed, the beneficiary will be required to provide the supporting documentation (e.g., invoice, agreement, etc) for each subsequent payment. This is a standard onshore requirement.
- Payments equal to or less than USD 10,000.00 (equivalent) or a maximum of USD 30,000.00 (equivalent) in total, per year, per tax ID can be processed via direct credit mechanism and beneficiary will be exempt from the Cadastro setup process. Exception to this rule are NGOs, law offices, exporters, tourism offices, loan and capital injection payments which will always require the beneficiary to complete the Cadastro setup, irrespective of the transaction amount.

Pre-Trade Setup Process

This is a one-time setup process via our correspondent agent (StoneX Banco de Câmbio SA) which is required for a new beneficiary to comply with Brazil's Exchange Control Regulations. The pre-trade set up process is as follows:

1. StoneX New York will handle the new cases and forward the information to Brazil office.
2. StoneX Banco de Câmbio SA will email the beneficiary to explain the pre-trade setup process and provide the required documentation that needs to be completed and returned.
3. Beneficiary will be able to initiate the setup accessing the link to our Portal at <https://banco.stonex.com/> and clicking on the right top corner "Register Here".
4. The beneficiary should post the final form signed to StoneX Banco de Câmbio SA , at the following address. DBS Banco de Câmbio SA A/C: Departamento de Câmbio Rua Joaquim Floriano, 413, 6º andar. Itaim Bibi CEP 04534-011 São Paulo — SP Tel: (11) 3509-5492.
5. Digital signatures (standard ICP BRAZIL) are also accepted, and it would not be necessary to mail hard copies of paperwork, just by email complies.
